Day to Day

INDEX :

- (A) Chronological Order
- (B) Current Affairs Sections

**PSLV-C34 Successfully Launches  
20 Satellites in a Single Flight**

**1 June, 2016 to 30 June, 2016**

# Preface

Dear readers, we have started edristi English edition as well since August, 2015. We are hopeful that it will help us to connect to the broader audience and amplify our personal bonding with each other.

While presenting Day-to-day current affairs, we are very cautious on choosing the right topics to make sure only those get the place which are useful for competitive exams perspective, not to increase unnecessary burden on the readers by putting useless materials. Secondly, we have also provided the reference links to ensure its credibility which is our foremost priority. You can always refer the links to validate its authenticity.

We will try to present the current affairs topics as quickly as possible but its authenticity is given higher priority over its turnaround time. Therefore it could happen that we publish the incident one or two days later in the website.

Our plan will be to publish our monthly PDF on very first day of every month with making appropriate modifications of day-to-day events. In general, the events happened till 28th day will be given place in the PDFs. The necessity of this is to ensure the contents factual authenticity.

Reader's satisfaction is our utmost priority so requesting you to provide your valuable feedback to us. We will warmly welcome your appreciation/criticism given to us. It will surely show us the right direction to improve the content quality. Hopefully the current affairs PDF (from 1st June to 30st June) will benefit our beloved readers.

Current affairs data will be useless if it couldn't originate any competitive exam questions. E-Dristi has been very successful in that direction. Almost all the questions from UPPCS and other examinations have been asked from our materials. You can verify that by matching the question papers and e-Dristi contents from yourselves.

## ISRO Launches 20 Satellites in a Single Flight

**Question:** With the help of which of the following Polar Satellite Launch Vehicle did the ISRO successfully launched 20 satellite in a single flight?

- (a) PSLV-35
- (b) PSLV-33
- (c) PSLV-34
- (d) PSLV-36

**Ans:(c)**

**Related facts:**

- On 22 June 2016 Indian Space Research Organization (ISRO) made a record of launching 20 satellites in a single mission.
- The satellites were successfully launched by the Polar Satellite Launch Vehicle PSLV-C34.
- With this ISRO has broken its own record of launching 10 Satellites in one go.
- Earlier on 28, April 2008, ISRO by sending 10 satellites into space had made a world record.
- The 727.5 kg Cartosat-2 Series Satellite along with 19 co-passenger satellites were launched from Satish Dhawan Space Centre SHAR, Sriharikota.
- This is the thirty fifth consecutively successful mission of PSLV and the fourteenth in its 'XL' configuration.
- The total weight of all the 20 satellites carried on-board PSLV-C34 was 1288 kg.
- After a flight of 16 minutes 30 seconds, the satellites achieved a polar Sun Synchronous Orbit of 508 km inclined at an angle of 97.5 degree to the equator (very close to the intended orbit).
- Then all the 20 satellites successfully separated from the PSLV fourth stage in a predetermined sequence.
- After separation, the two solar arrays of Cartosat-2 series satellite were deployed automatically.

- Then ISRO's Telemetry, Tracking and Command Network (ISTRAC) at Bangalore took over the control of the satellite.
- The imagery sent by the Cartosat-2 series satellite will be useful for cartographic applications, urban and rural applications, coastal land use and regulation, utility management like road network monitoring, water distribution, creation of land use maps, precision study, change detection to bring out geographical and manmade features and various other Land Information System (LIS) and Geographical Information System (GIS) applications.
- Of the 19 co-passenger satellites carried by PSLV-C34, two – SATHYABAMASAT weighing 1.5 kg and SWAYAM weighing 1 kg – are University/Academic institute satellites and were built with the involvement of students from Sathyabama University, Chennai and College Of Engineering, Pune, respectively.
- The remaining 17 co-passenger satellites were international customer satellites from Canada (2), Germany (1), Indonesia (1) and the United States (13).
- With this successful launch, the total number of satellites launched by India's workhorse launch vehicle PSLV has reached 113, of which 39 are Indian and the remaining 74 from abroad.

## Cabinet approves Special Package for Job Creation & Export Promotion in Textile & Apparel Sector

**Question: When did the cabinet approved Special Package for Textile & Apparel Sector?**

- (a) 22 June 2016
- (b) 20 June 2016
- (c) 18 June 2016
- (d) 24 June 2016

**Ans:(a)**

**Related facts:**

- On 22 June 2016 the Union Cabinet under the Chairmanship of Prime Minister Narendra Modi has given approval for a special package for employment generation and promotion of exports in Textile and Apparel sector.
- It will create Jobs for 1 crore people, mostly women and there will be increase in Exports by US\$ 30 bn and bring investment worth Rs. 74,000 crores coming three years.
- The majority of new jobs are likely to go to women since the garment industry employs nearly 70% women workforce.
- Salient features of the package announced are:
  - **Employee Provident Fund Scheme Reforms-**
  - Govt. of India shall bear the entire 12% of the employers' contribution of the Employers Provident Fund Scheme for new employees of garment industry for first 3 years who are earning less than Rs. 15,000 per month.
  - At present, 8.33% of employer's contribution is already being provided by Government under Pradhan Mantri Rozgar Protsahan Yojana (PMRPY).
  - Ministry of Textiles shall provide additional 3.67% of the employer's contribution amounting to Rs. 1,170 crores over next 3 years.
  - EPF shall be made optional for employees earning less than Rs. 15,000 per month
  - This shall leave more money in the hands of the workers and also promote employment in the formal sector.
  - **Increasing overtime caps-**
  - Overtime hours for workers not to exceed 8 hours per week in line with ILO norms.

- This shall lead to increased earnings for the workers.
- Introduction of fixed term employment:
- Looking to the seasonal nature of the industry, fixed term employment shall be introduced for the garment sector.
- A fixed term workman will be considered at par with permanent workman in terms of working hours, wages, allowances and other statutory dues.
- **Additional incentives under ATUFS-**
- The package breaks new ground in moving from input to outcome based incentives by increasing subsidy under Amended-TUFS from 15% to 25% for the garment sector as a boost to employment generation.
- A unique feature of the scheme will be to disburse the subsidy only after the expected jobs are created.
- **Enhanced duty drawback coverage-**
- In a first of its kind move, a new scheme will be introduced to refund the state levies which were not refunded so far.
- This move is expected to cost the exchequer Rs 5500 crores but will greatly boost the competitiveness of Indian exports in foreign markets.
- Drawback at All Industries Rate to be given for domestic duty paid inputs even when fabrics are imported under Advance Authorization Scheme
- **Enhancing scope of Section 80JJAA of Income Tax Act-**
- Looking at the seasonal nature of garment industry, the provision of 240 days under Section 80JJAA of Income Tax Act would be relaxed to 150 days for garment industry
- The textile industry is one of India's oldest industries.
- Presently, it contributes about 11 percent of the country's total exports.
- In 2014-15 about 41.4 billion US dollars worth of export revenue was earned from this sector.
- Indian textile industry contributes about 5% of GDP.

## Establishment of Fund of Funds for funding support to Start-ups

**Question:** Recently the Union Cabinet has approved the establishment of “Fund of Funds for Startups” (FFS) at which of the following bank?

- (a) Small Industries Development Bank of India
- (b) National Bank for Agriculture and Rural Development
- (c) Reserve Bank of India
- (d) Mudra Bank

**Ans.(a)**

**Related facts:**

- On 22 June 2016 the Union Cabinet has approved the establishment of “Fund of Funds for Startups” (FFS) at Small Industries Development Bank of India (SIDBI).
- This will contribute to various Alternative Investment Funds (AIF), registered with Securities and Exchange Board of India (SEBI).
- The bank will provide funding support to Startups.
- This is in line with the Start up India Action Plan unveiled by Government in January 2016.
- The corpus of FFS is Rs.10,000 crore which shall be built up over the 14th and 15th Finance Commission cycles subject to progress of the scheme and availability of funds.
- An amount of Rs.500 crore has already been provided to the corpus of FFS in 2015-16 and Rs.600 crore earmarked in the 2016-17.
- The Fund is expected to generate employment for 18 lakh persons on full deployment.

## Extension of timeline for issuance of Bonds by State Governments under the Scheme UDAY

**Question:** Recently the Union Cabinet extended the timeline for taking over what percentage of the Outstanding Debt of DISCOMs, as existing on 30th September, 2015, by States?

- (a) 60%
- (b) 50%
- (c) 100%
- (d) 75%

**Ans.(b)**

**Related facts:**

- On 22 June 2016 the Union Cabinet chaired by Prime Minister Narendra Modi, accorded an extension of timeline for taking over 50% of the Outstanding Debt of DISCOMs, as existing on 30th September, 2015, by States.
- With this the cabinet has also extended the limit of borrowings by State of Jammu and Kashmir under UDAY (Ujwal DISCOM Assurance Yojana).
- The time limits have now been extended by one year from the earlier stipulated date of 31st March, 2016.
- Those States who were unable to join the scheme due to time constraints in completing the processes or inability to take major policy decisions such as joining UDAY due to on-going election processes, extension of the timeline will enable States to participate in this scheme.
- So far 20 States and Union Territories have given their consent to join of which, 12 States, namely, Rajasthan, Uttar Pradesh, Chhattisgarh, Jharkhand, Punjab, Bihar, Haryana, Gujarat, Uttarakhand, Karnataka, Goa and Jammu & Kashmir have already signed MOUs with the Central Government.
- UDAY, the most comprehensive power sector reform ever, was conceived to permanently resolve all DISCOM problems – past, present and future by providing DISCOMs with a clear roadmap and opportunity to become profitable in the next 3 years.

## New Print Media Advertisement policy

**Question: What is the work of Directorate of Advertising & Visual Publicity (DAVP) ?**

- (a) Advertising on behalf of various Ministries and organisations of Government of India
- (b) Framing Advertisement Policy
- (c) To limit advertising
- (d) None of these

**Ans:(a)**

**Related facts:**

- On 10 June 2016, Ministry of Information & Broadcasting has framed a New Print Media Advertisement Policy for Directorate of Advertising & Visual Publicity (DAVP).
- The objective to promote transparency and accountability in issuing of advertisements in print media. DAVP is the nodal agency of the Government of India for advertising on behalf of various Ministries/Departments/PSUs/Autonomous organizations which are funded by the Government. For the first time the policy introduces a New Marking System for newspapers to incentivize Newspapers who have better professional standing and get their circulation verified by ABC/ RNI.
- The marking system is based on six objective criterions with different marks allotted to each criterion: The criterion includes Circulation certified by ABC/RNI (25 marks), EPF subscription for employees (20 marks), number of pages (20 marks), Subscription to wire services of UNI/PTI/Hindustan Samachar (15 marks), Own printing press (10 marks), Annual subscription payment to PCI (10 marks).
- The policy framework includes circulation verification Procedure for empanelment of Newspapers/Journals with DAVP.
- The procedure involves certification by RNI/ABC if circulation exceeds 45,000 copies per publishing day; for circulation upto 45,000 copies per publishing day certificate from Cost/Chartered Accountant/ Statutory Auditor Certificate/ ABC is mandated.
- The policy also stipulates the empanelment procedure for Multi-Editions of a newspaper.
- It states that, as per the PRB Act whenever copies of one edition of a newspaper are printed from more than one centre and if the content of newspaper is different they would be treated as different editions
- For payment and adjustment of bills, the policy framework mandates that DAVP will release payment of advertisement bills in the name of newspaper/company account directly through ECS or NEFT.
- The policy stipulates that the rate structure for payment against advertisements released by DAVP will be as per recommendations of the Rate Structure Committee.
- DAVP would pay a premium of 50% above DAVP rates for colour/black & white for front page
- The policy has classified Newspaper/Journals into three categories namely Small (<25,000 copies per publishing day), Medium (25,001-75,000 copies per publishing day) and Big (>75,000 copies per publishing day).

## TCI –IIM report

**Question: Which of the following ministry has launched the TCI –IIM report?**

- (a) Ministry of Road Transport & Highways
- (b) Ministry of Defence
- (c) Ministry of Agriculture
- (d) Ministry of Home Affairs

**Ans:(a)**

**Related facts:**

- On 7 June 2016 the Minister of Road Transport & Highways and Shipping Nitin Gadkari launched the TCI –IIM Calcutta joint study report.
- The report is based on a study commissioned by the Transport Corporation of India (TCI), of 28 routes in the country over the period 2014-15.
- The report released is on the operational efficiency of freight transportation by road in India.
- The TCI-IIM study is a follow-up study of the earlier studies, also commissioned by TCI, in 2008-09 and 2011-12.
- The 2014-15 study compares route statistics from the earlier report periods 2008-09 and 2011-12 to assess changes over this period.
- The report suggest that besides improving the toll collection infrastructure, the number of stops for various other purpose, such as documentation check and tax collection at state borders/check posts and on-road police intervention, should be minimized and the process of document checking.
- Tax collection should also simplified to facilitate a smooth and seamless flow of goods across the country.
- The report also recommends that Government should ensure that trucker replace their old, fuel-inefficient vehicles with new-generation fuel-efficient vehicles like multi-axle tractor-trailer units.
- The study also stresses upon the need to encourage multi – modal transportation of goods in a big way as this is more efficient, economic and environment friendly.

## Cost of Living Survey-2016

**Question:** On 22 June 2016 the human resources consulting firm, “Mercer” issued the “Cost of Living Survey-2016. According to this which is the most expensive city in India ?

- (a) Mumbai
- (b) Chennai
- (c) Delhi
- (d) Hyderabad

**Ans:(a)**

**Related facts:**

- On 22 June 2016 the human resources consulting firm, “Mercer” issued the “Cost of Living Survey-2016.
- It is 22nd edition of Mercer’s Cost of Living Survey .
- The survey includes over 375 cities throughout the world; this year’s ranking includes 209 cities across five continents.
- New York City is used as the base city for all comparisons and currency movements are measured against the US dollar.
- The survey measures the comparative cost of more than 200 items in each location, including housing, transportation, food, clothing, household goods, and entertainment.
- According to Mercer’s 2016 Cost of Living Survey, Hong Kong tops the list of most expensive cities for expatriates, pushing Luanda, Angola to second position.
- Zurich and Singapore remain in third and fourth positions, respectively, whereas Tokyo is in fifth, up six places from last year.
- Kinshasa, ranked sixth, appears for the first time in the top 10.
- Other cities appearing in the top 10 of Mercer’s costliest cities for expatriates are Shanghai (7), Geneva (8), N’Djamena (9), and Beijing (10).
- The world’s least expensive cities for expatriates, according to Mercer’s survey, are Windhoek (209), Cape Town (208), and Bishkek (207).
- Mumbai (82) is India’s most expensive city, followed by New Delhi (130) and Chennai (158).
- Kolkata (194) and Bangalore (180) are the least expensive Indian cities.

## Orlando Nigtclub massacre

**Question:** On 12 June 2016 a mass shooting terrorist attack occurred in Orlando, United States which resulted in 49 deaths, Orlando is located in which of the following state of United States?

- (a) Florida
- (b) Texas
- (c) North Carolina
- (d) Alaska

**Ans:(a)**

### Related facts:

- On June 12, 2016, a mass shooting terrorist attack occurred at 2:00 am inside Pulse, a gay nightclub in Orlando, Florida, United States.
- The shooting resulted in 50 deaths, including the gunman, who was killed by police after a three-hour standoff. Another 53 were injured.
- The assailant was identified as 29-year-old Omar Mateen.
- He was an American born to parents of Afghan background.
- The attack was the deadliest mass shooting by a single gunman and the deadliest incident of violence against LGBT people in U.S. history, and also the deadliest terrorist attack in the U.S. since the September 11 attacks.
- Although responsibility for the attack was taken by ISIS but American security agencies has not confirmed.
- Investigators said that the attack may have been ISIL-inspired without being ISIL-directed.
- It should be known that he called 911 during his nearly three-hour standoff with the police, holding several hostages and pledging allegiance to the Islamic State of Iraq and Syria (ISIS).
- Mateen was on the FBI's radar twice, once in 2013 for inflammatory comments he made to co-workers about terrorist ties, and another in 2014 regarding possible connections to the first known American suicide bomber in Syria, Moner Abu-Salha. However, both cases were closed.
- In the context of this event, Omar's father said that Omar hated gay people and used to be very angry after seeing them kissing in public places.
- Currently, Religious fanaticism or hatred based gender bias whichever may be the cause of the incident . It is almost certain that this incident will impact the ongoing debate on terrorism and also attitudes of American society towards minorities.

## Global Peace Index-2016

**Question:** India ranked at which of the following position in Global Peace Index (GPI)-2016 released by London based Institute for Economics and Peace (IEP)?

- (a) 142nd
- (b) 141st
- (c) 143rd
- (d) 145th

**Ans.(b)**

### Related facts:

- On 8th June 2016 London based Institute for Economics and Peace (IEP) released the Global Peace Index (GPI)-2016.
- This was the 10th edition of the index.
- The central theme of the 2016 Global Peace Index is “Ten Years of Measuring Peace”.
- The index has ranked total 163 countries according to their level of peace.
- The GPI covers more than 99.7 per cent of the global population.
- The index gauges on domestic and international conflicts, safety and security in the society.
- The index also looks into the degree of militarisation in 163 countries by taking into account 23 indicators.
- The tenth anniversary report presents the most comprehensive analysis on the trends in peace and violence over the last decade.
- The 2016 edition expands its coverage by including Palestine for the first time.
- Over the past year, 81 countries improved their ranking in peacefulness, while 79 countries deteriorated.
- The average deterioration was larger than the average improvement, contributing to the global drop in score.
- Europe is regarded as the most peaceful region in the world although its average score deteriorated in this year's report in the wake of terrorism incidents in Paris and Brussels.
- The economic impact of violence on the global economy in 2015 was \$13.6 trillion in purchasing power parity (PPP) terms.

- Iceland with the minimum score of 1.192 has been ranked as the most peaceful country for the consecutive ninth time while Syria with the maximum score of 3.806 has been named as the least peaceful, followed by 162nd South Sudan (Score -3.593), 161st – Iraq (Score -3.570), 160th -Afghanistan (Score 3.538), 159th – Somalia (Score -3.414) 158th Yemen (score -3.399).
- It may be recalled that Iceland was not include in the first list of Global Peace Index (GPI)-2007.
- Denmark (score 1.246) and Austria (score 1.278) are ranked at number 2nd and 3rd position respectively.
- India is ranked as the 141st country in the Global Peace Index (GPI) 2016 and is ranked fifth out of the seven countries in the South Asian region.
- Last year (2015) India's rank was 143rd.
- In South Asia, Bhutan was ranked best (13th overall rank), while India was fifth followed by Pakistan at sixth (overall 153rd) and Afghanistan at sixth place (overall 160th).
- Among India's neighbours Bhutan is ranked 13th (score -1.445), Nepal 78th (score -2.026), Bangladesh 83rd (score -2.045), Sri Lanka 97th (score-2.133), Pakistan 153rd (score-3.145) and Afghanistan 160th (score-3.538).
- The ranking of some other major countries is as follows: South Africa 126th (score -2.316), Brazil 105th (score -2.176), the United States 103rd (Score -2.154), the United Kingdom 47th (score -1.830), Japan, the 9th (score -1.395) and China 120th (score -2.288).
- Institute for Economics and Peace (IEP) is an independent international think tank dedicated to shifting the world's focus to peace as a positive, achievable and tangible measure of human well-being and progress.

## Swiss basic income (UBI) proposal in referendum

**Question: Who is the author of the book named “Voting for Freedom: The 2016 Swiss Referendum on Basic Income: A Milestone in the Advancement of Democracy”?**

- (a) Daniel Hani and Philip Kovce
- (b) Samuel Huntington
- (c) Roger Eatwell
- (d) Matthew Smith

**Ans.(a)**

**Related facts:**

- On 5th June 2016 Switzerland became the first country in the world to hold a referendum on Unconditional Basic Income (UBI).
- The amount to be paid was not determined before the vote, but the political-group behind the initiative suggested paying 2500 US dollars a month to each adult and 640 US dollars for each child.
- Out of the total votes polled 76.9 percent were against the plan, while only 23.1 percent were in favour of it.
- The proposal for providing unconditional basic income was raised in the backdrop of decreasing job opportunities, increasing automation at workplace and growing uncertainties in the market caused by economic downturn.
- Supporters argued that providing such income would assist people in a world where good jobs with steady salaries are becoming harder to find.
- While the government opposed the proposal claiming it would lead to sky-high costs, people quitting their jobs in large number and burden on the economy.

## Hiroshima Peace Memorial

**Question: Who is the first American president to pay homage at the Hiroshima Peace Memorial?**

- (a) Barak Obama
- (b) Bill Clinton
- (c) George W. Bush
- (d) Truman

**Ans:(a)**

**Related facts:**

- On 27 May 2016 US President Barack Obama paid homage at the Hiroshima Peace Memorial during his historic visit to Japan.
- He became the first sitting US president to visit the site of the world's first atomic bomb attack.
- The official trip of US President Barack Obama comes more than 71 years after an American plane dropped nuclear bomb.
- It should be known that Barack Obama was on a visit to Japan from 26 May 2016 to 27 May 2016 to meet with the other leaders of the G-7 in Ise-Shima, Japan
- US dropped two atomic bombs on Japan during World War II.
- The first bombing dubbed 'Little Boy' was done at Hiroshima on August 6, 1945, claimed the lives of 140,000 people.
- Three days later (On 9 August 1945) US dropped a second bomb dubbed as 'Fat Man' on the city of Nagasaki in which 70,000 more people were killed.

## AIIB approved first loans for projects in four countries

**Question:** Recently AIIB has approved first loans for projects in four countries. Which of the following country is not included ?

- (a) Bangladesh
- (b) Pakistan
- (c) Indonesia
- (d) Afghanistan

**Ans:(d)**

### Related facts:

- On 24 June 2016 the Asian Infrastructure Investment Bank's Board of Directors approved its first 4 loans totalling \$509 million to finance 4 projects.
- Pakistan, Bangladesh, Indonesia and Tajikistan will get the first set of loans totalling \$ 509 million.
- Three of the 4 projects are co-financing operations with multilateral development bank (MDB) partners.
- The approved loans includes:
  - A \$165 million loan for a Power Distribution System Upgrade and Expansion Project in Bangladesh;
  - A \$216.5 million loan for a National Slum Upgrading Project in Indonesia, expected to be co-financed with the World Bank;
  - A \$100 million loan to finance the Shorkot-Khanewal Section of National Motorway M-4 in Pakistan, co-financed with the Asian Development Bank (ADB) and the United Kingdom's Department for International Development (DFID); ₹
  - A \$ 27.5 million loan for the Dushanbe-Uzbekistan Border Road Improvement Project in Tajikistan, co-financed with the European Bank for Reconstruction and Development (EBRD).
- The Asian Infrastructure Investment Bank (AIIB) is an international financial institution that aims to support the building of infrastructure in the Asia-Pacific region.
- The bank started operation after the agreement entered into force on 25 December 2015 with the capital of \$100 billion.
- China is the largest shareholder with 26.6 per cent voting shares. India is the second largest shareholder with 7.5 per cent voting shares.
- Its headquarters is in Beijing, capital city of China.
- Jin Lique is currently the President of Asian Infrastructure Investment Bank.

## World Bank report ;India Development Update

**Question: At what percent did World Bank retained the growth rate for India in 2016-17, in its report named “India Development Update- Financing Double Digit Growth”?**

- (a) 7.6
- (b) 7.5
- (c) 7.2
- (d) 7.3

**Ans:(a)**

### Related facts:

- On 19 June 2016 World Bank published its “India Development Update- Financing Double Digit Growth report”.
- The World Bank’s “India Development Update” is a bi-annual report on the economy and its prospects.
- According to the reports India’s economy expanded at a faster pace even as several growth engines stalled: agriculture faced a second consecutive drought year, rural households were under stress, private investments flat-lined, and exports plummeted.
- Despite these drags, the working engines demand from urban households and public investments propelled the economy to a higher growth path.
- According to the reports the GDP growth accelerated to 7.6 percent y/y in Financial Year 2016.
- The GDP growth rate was an average of 6.5 percent during Financial Year 2013 to Financial Year 2015.
- Gross value-added (GVA) growth also accelerated, led by a pickup in industrial activities and a reliable contribution from services.  
India is expected to remain on this growth path and sustain the 7.6 percent growth rate into Financial Year 2017.
- In the report growth rate of the Indian economy is estimated to be 7.7% and 7.8% in the financial year 2017-18 and 2018-19 respectively.
- In contrast, private consumption accelerated to 7.4 percent y/y in Financial Year 2015-16 from 6.2 percent in Financial Year 2014-15  
Growth in manufacturing and services is likely to be at 7.4% and 8.9% respectively which have created jobs in Urban areas.
- The rate of inflation was low mainly due to lower food prices.

## Government approved 100 percent FDI in several sectors

**Question:** On 20 June 2016 the high-level meeting chaired by the Prime Minister has increased the FDI in the defence sector (FDI) to what percentage?

- (a) 74%
- (b) 100%
- (c) 51%
- (d) 49%

**Ans:(b)**

**Related facts:**

- On 20 June 2016 high-level meeting chaired by the Prime Minister has increased the percentage limit of Foreign Direct Investment(FDI) in several sectors.
- The government announced 100 per cent foreign direct investment in the defence sector .
- In defence sector present FDI limit permits 49% FDI participation in the equity of a company under automatic route. FDI above 49% is permitted through Government approval on case to case basis.
- The extant FDI policy on Airports permitted to 100% FDI under automatic route in Greenfield Projects and 74% FDI in Brownfield Projects under automatic route.
- FDI beyond 74% for Brownfield Projects is provided under government route.
- Among other decisions, 100 per cent FDI has been permitted in teleports, direct-to-home, cable networks and mobile TV under the automatic route.
- The government has decided to relax local sourcing norms up to three years and a relaxed sourcing regime for another five years for entities undertaking Single Brand Retail Trading of products having 'state-of-art' and 'cutting edge' technology.

## CCEA approved disinvestment of paid up equity of HUDCO

**Question:** Recently the Cabinet Committee on Economic Affairs(CCEA) has given its approval for disinvestment of how much percent of paid up equity of Housing and Urban Development Corporation Ltd. (HUDCO)?

- (a) 10%
- (b) 15%
- (c) 12%
- (d) 5%

**Ans:(a)**

**Related facts:**

- On 15 June 2016 the Cabinet Committee on Economic Affairs has given its approval for disinvestment of 10% paid up equity of Housing and Urban Development Corporation Ltd. (HUDCO) .
- This approval was given out of Government of India's shareholding of 100% through Initial Public Offering (IPO) in the domestic market as per the Securities and Exchange Board of India (SEBI) Rules and Regulation.
- The paid up equity capital of HUDCO is Rs.2001.90 crore and Government of India owns 100% Of the equity at present.
- Net worth of the Company is approximately Rs. 7,800 Cr.
- HUDCO was incorporated on 25th April 1970 as a wholly owned Government of India Enterprise under the administrative control of Ministry of Housing and Urban Poverty Alleviation.
- Its objective is to provide long term finance for construction of houses for residential purposes.

## Axis Bank launched India's first certified green bond

**Question:** Which one of the following Indian leading capital markets bank opened trading at the London Stock Exchange (LSE) with a bond, which is certified by the Climate Bonds Standards Board?

- (a) State Bank of India
- (b) Bank of Baroda
- (c) ICICI
- (d) Axis Bank

**Ans.(d)**

**Related facts:**

- Axis Bank on 6th June 2016 launched India's first internationally-listed certified green bond to finance climate change programmes around the world.
- The bond raised \$500 million at the London Stock Exchange.
- This is Asia's first internationally listed certified green bond which has been listed on London Stock Exchange. This bond is certified by the Climate Bonds Standards Board.
- The funds received from the bond will be invested in green energy, transportation and infrastructure projects, underpinning India's commitment to produce 175,000 MW of renewable power by 2022.
- A bond is a debt instrument which an entity uses to raise capital from investors. The bond issuer gets capital while the investors receive fixed income in the form of interest. When the bond matures, the money is repaid.
- A green bond is very similar. The only difference is that the issuer of a green bond declares that capital is being raised to fund 'green' projects like renewable energy, emission reductions and so on.

## Global Economic Prospects report, June 2016

**Question: What percent Global Growth is Forecasted in the latest Global Economic Prospects report released by the World Bank?**

- (a) 2.4%
- (b) 2.5%
- (c) 2.7%
- (d) 3.4%

**Ans.(a)**

**Related facts:**

- On 7th June 2016 World Bank released Global Economic Prospects report-2016.
- In this report World Bank has forecasted 2.4% global growth in 2016.
- The report states that world economy would grow at 2.4% in 2016 and 2.8% in 2017. This is lower than the earlier forecast of 2.9% and 3.1% respectively done in January 2016.
- The cut in global forecast was due to mediocre growth experienced by advanced economies, while low commodity prices, weak global trade and stilted capital flows also impacted.
- According to the report, developing economies are forecasted to grow by 3.5 per cent in 2016, which is 0.6 % lower than its January's projection.
- Whereas, advanced economies are expected to grow at 1.7 % this year, which is 0.5% lower than its January forecast.
- According to the latest update of Global Economic Prospects report, commodity-exporting emerging markets and developing economies have struggled to adapt to lower prices for oil and other key commodities causing 40% downward revision.
- Growth in these economies is projected to advance at 0.4% pace this year, a downward revision of 1.2 % from the January outlook.
- Among major emerging market economies, China is forecast to grow at 6.7% in 2016 after 6.9% last year.
- India's robust economic expansion is expected to hold steady at 7.6%, while Brazil and Russia are projected to remain in deeper recessions than forecast in January.
- South Africa is forecasted to grow at a 0.6% rate in 2016, which is 0.8% more slowly than the January forecast.
- Global Economic Prospects (GEP) is World Bank's bi-annual Report which studies the trend in the economic growth and its impact on developing countries.
- The last GEP report was released on 6th January, 2016.

## Second Bi-monthly Monetary Policy Statement, 2016-17

**Question:** On 7 June 2016 Reserve Bank of India has issued Second Bi-monthly Monetary Policy Statement, 2016-17. In this the percentage of growth during 2016-17 is estimated to be-

- (a) 7.5%
- (b) 7.6%
- (c) 7.8%
- (d) 7.2%

**Ans:(b)**

**Related facts:**

- On 7 June 2016 Reserve Bank of India Governor, Dr. Raghuram G. Rajan has issued Second Bi-monthly Monetary Policy Statement, 2016-17.
- RBI in its Second Bi-monthly Monetary Policy Statement, 2016-17 has kept policy rates, reserve cash reserve ratio of net demand and term liabilities unchanged.
- Repo rate under the (LAF: Liquidity Adjustment Facility) is kept unchanged at 6.5%.
- Consequently, the reverse repo rate under the LAF will remain unchanged at 6.0 per cent, and the marginal standing facility (MSF) rate and the Bank Rate at 7.0 per cent.
- RBI kept the cash reserve ratio (CRR) of scheduled banks unchanged at 4.0 per cent of net demand and time liabilities (NDTL).
- Statutory Liquidity Ratio (SLR) is also kept unchanged at 21.5%
- Earlier, RBI had cut the repo rate by 0.25 % to 6.5 % in April in its first bi-monthly monetary policy review of the current financial year.
- The gross value added (GVA) growth projection for 2016-17 has been retained at 7.6 per cent.

## Cabinet approves setting up of India Post Payments Bank

**Question:** With what percent Government of India's (GOI) equity recently the Union Cabinet has given its approval for setting up the India Post Payments Bank (IPPB) as a Public Limited Company under the Department of Posts?

- (a) 80%
- (b) 75%
- (c) 51%
- (d) 100%

**Ans: (d)**

### Related facts:

- On 1 June 2016 the Union Cabinet has given its approval for setting up the India Post Payments Bank (IPPB) as a Public Limited Company under the Department of Posts, with 100% Government of India (GOI) equity.
- The total expenditure involved in this project is Rs 800 Crore.
- All citizens, especially 40% of the country's population that is outside the ambit of formal banking in the country will benefit from this project.
- The project will be rolled out in the entire country in a phased manner.
- The IPPB will obtain banking licence from RBI by March 2017 .
- By September 2017, its services will be available across the country through 650 payments bank branches.
- These branches, linked post offices and alternative channels riding on modern technology including mobiles, ATMs, PoS/ m-PoS devices etc and simple digital payments.
- Setting-up of the IPPB to further financial inclusion was one of the budgetary announcements during 2015-16.
- The Department of Posts had obtained the "in-principle approval" of the RBI in September 2015 to set up the India Post Payments Bank.

## Mars crater officially named as “Langtang”

**Question:** Recently the International Astronomical Union(IAU) has officially named a Mars crater “Langtang”. Langtang is a-

- (a) One of the villages worst hit by the 2015 earthquake in Nepal.
- (b) China’s endangered bird species
- (c) An ancient city of Bhutan
- (d) A rare species of tree in Arunachal Pradesh

**Ans:(a)**

### Related facts:

- On 14 June 2016 the International Astronomical Union(IAU) has named a 9.8km (six mile) wide crater on Mars as “Langtang”.
- “Langtang’ is one of the villages worst hit by the 2015 earthquake in Nepal.
- At least 215 people were killed in Langtang during earthquake.
- This crater is scientifically important.
- The crater has marks of “water flows” on the top and below them ridges (the remains of former glaciers ).
- It may be recalled that Nepal was hit by earthquake on 25 April 2015, which resulted in extensive loss of life and property.

## Two commercial satellites are launched

**Question:** Name the company which has launched two commercial communications satellites, Eutelsat 117 West B and ABS-2A successfully in Geosynchronous Transfer Orbits (GTO).

- (a) Space X
- (b) NASA
- (c) ISRO
- (d) None of the above

**Ans:(a)**

### Related facts:

- On 15 June 2016 SpaceX, an American aerospace manufacturer and space transport services company has successfully delivered two commercial communications satellites, Eutelsat 117 West B and ABS-2A, to their targeted Geosynchronous Transfer Orbits (GTO).
- The satellite were launched using SpaceX's Falcon 9 rocket from Space Launch Complex 40 at Cape Canaveral Air Force Station, Florida.
- The two satellites, EUTELSAT 117 West B and ABS-2A, are operated respectively by Eutelsat and ABS – two companies that provide global communications services to a variety of users.
- The two satellites are delivered to Geostationary Transfer Orbits (GTO).
- While returning the reusable rocket was destroyed just before landing on floating barge in the Atlantic Ocean.
- Falcon 9 is a family of two-stage-to-orbit launch vehicle both stages are powered by rocket engines that burn liquid oxygen (LOX) and rocket-grade kerosene (RP-1) propellants.

## Indigenous Trainer Aircraft Makes Inaugural Flight

**Question:** The Indigenous Trainer Aircraft HTT 40 (Basic Trainer Aircraft – BTA) is designed and developed by-

- (a) Defence Research and Development Organisation
- (b) Hindustan Aeronautics Limited
- (c) Indian Airforce
- (d) Brahmos Aerospace

**Ans:(b)**

**Related facts:**

- On 17 June 2016 India's indigenous basic trainer aircraft, Hindustan Turbo Trainer-40 (HTT-40) made its inaugural flight here in the presence of Defence Minister Manohar Parrikar.
- The two-seater aircraft designed and developed by the Hindustan Aeronautics Limited.
- It may be recalled that HAL rolled out the first prototype on 2 February 2016.
- The new aircraft will replace the ageing fleet of HAL HPT-32 Deepak trainers that are in service with the IAF.
- HTT-40 aircraft weighs about 2,800 kg and will develop a maximum power output of 950 shaft horsepower (shp).

## Great Barrier Reef's only endemic mammal goes Extinct

**Question:** What is the reason behind extinction of Great Barrier Reef's only endemic (found nowhere else) mammal species?

- (a) Climate change
- (b) Hunting
- (c) Lack of food
- (d) None of the above

**Ans:(a)**

**Related facts:**

- According to the report published on 14 June 2016, Australian Great Barrier Reef rodent goes Extinct
- It was believed to be Great Barrier Reef's only endemic (found nowhere else) mammal species.
- It is the first recorded extinction of a mammal anywhere in the world thought to be primarily due to human-induced (anthropogenic ) climate change.
- The last known sighting of this species was in 2009 by a professional fisherman.
- The news of extinction was revealed in the report of a survey led by Ian Gynther from Queensland's Department of Environment and Heritage Protection in partnership with the University of Queensland.
- It should be noted that the Australian rats are commonly called as Bramble Cay melomys.
- It was mainly found in a small coral cay called Bramble Cay located off the north coast of Queensland in the Torres Strait between Australia and Papua New Guinea.

**Reference:**

<https://www.ehp.qld.gov.au/wildlife/threatened-species/documents/bramble-cay-melomys-survey-report.pdf>

## Scientists have found a solution to the climate change

**Question:** Name the project under which scientists from Iceland have discovered a new way to trap the greenhouse gas (GHG) carbon dioxide (CO<sub>2</sub>) deep underground by changing it into rock?

- (a) Carbon Print (b) Carb-Fix  
(c) Carbon Tally (d) Carbon Rock

**Ans:(b)**

**Related facts:**

- According to the article published by journal “Science” on 10 June 2016, scientists from Iceland have discovered a new way to trap the greenhouse gas (GHG) carbon dioxide (CO<sub>2</sub>) deep underground by changing it into rock.
- The new way was discovered by Scientists from Columbia University’s Lamont-Doherty Earth Observatory and other institutions as part of a two year’s pilot program called CarbFix project.
- In the CarbFix project, scientists pumped CO<sub>2</sub> and water, 540 metre underground into volcanic rock at the Hellisheidi geothermal power plant.
- In this method, CO<sub>2</sub> is dissolved with water (termed as carbonation) is pumped into volcanic rocks called basalts
- Later, the CO<sub>2</sub> solidifies turning into a solid mineral (calcite), which can then be stored. In the research it was found that 95% of the gas was captured and converted in two years.
- Britain recently cancelled a major project named “carbon capture & Stored (CCS)”.

## Malware Infection Index 2016

**Question: Malware is an abbreviated term formed from the combination of which of the following two words ?**

- (a) Multiple and Software
- (b) Malicious and Software
- (c) Malafide and Software
- (d) None of these

**Ans:(b)**

### Related facts:

- On 7 June 2016 Microsoft Asia launched its Malware Infection Index 2016 (MII2016).
- The index identifies the key malware threats and ranks markets in 19 Asia Pacific countries.
- The Malware Infection Index 2016 revealed the locations with the highest malware encounter rates was Pakistan, followed by Indonesia, Bangladesh, Nepal and Vietnam respectively.
- Each country had an average of close to 40 percent or more computers encountering malware, compared to the worldwide average of only 20.8 percent, as of 4Q 2015, up from 17.6 percent in 1Q 2015.
- India stands at No. 8 in region.
- The top three most-encountered malware families in the Asia Pacific region were Gamarue, a worm which can give a malicious hacker control of your PC; and Trojans Skeeyah and Peals.
- These malware can steal personal information, download more malware or give hackers access to your PC.

### Reference:

<https://news.microsoft.com/apac/2016/06/07/malware-infection-index-2016-highlights-key-threats-undermining-cybersecurity-in-asia-pacific-microsoft-report/#sm.0005k8qqm14y1et8zih20m06msp93>

## Food and Safety Standard Authority of India (FSSAI) ban the use of potentially cancer-causing chemical, potassium bromate

**Question:** Name the chemical used in breads which was recently banned by Food and Safety Standard Authority of India (FSSAI), after a study by the Centre for Science and Environment (CSE) named it as one of two chemicals that could cause cancer?

- (a) Potassium bromate
- (b) Potassium nitrate
- (c) Potassium sulphate
- (d) Potassium chlorate

**Ans:(a)**

**Related facts:**

- On 23 May 2016 Centre for Science and Environment (CSE) in its report claimed the presence of cancer-causing chemicals, potassium bromate and potassium iodate in breads.
- In 1999, the International Agency for Research on Cancer (IARC) classified potassium bromate as possibly carcinogenic (cancer causing) to humans.
- Potassium iodate was found to cause tumors of the kidney, thyroid and cancer of the abdominal lining in laboratory animals.
- Potassium bromate/iodate are banned in many countries because of its harmful effects on human beings but was not banned in India so far.
- Due to the harmful effects of potassium bromate and potassium iodate on Human health Centre for Science and Environment (CSE) recommended the Food Safety and Standards Authority of India (FSSAI) to ban its use.
- On 24 May 2016 Food and Safety Standard Authority of India (FSSAI) banned the use of potassium bromate and spoke about the evaluation of potassium iodate as possibly carcinogenic (cancer causing).
- The study, conducted by CSE's Pollution Monitoring Laboratory (PML), says Indian bread manufacturers use potassium bromate and potassium iodate for treating flour while making bread.
- Considering potassium bromate as a 'genotoxic carcinogen', the JECFA (WHO/FAO Joint Expert Committee on Food Additives) in 1992 said that "use of potassium bromate as a flour treatment agent was not appropriate".
- The European Union had already banned its use in 1990 and so did the UK. Subsequently, Canada, Australia, New Zealand, China, Sri Lanka, Brazil, Nigeria, Peru and Columbia have also decided against its use.
- CODEX Alimentarius, an international body which sets safety standards for food commodities, formally withdrew specifications of potassium bromate in 2012 – which means the presence of bromate in food was considered unsafe and illegal for international trade.

- On 23 June, 2016 Board of Control for Cricket in India (BCCI) announced the appointment of Anil Kumble as the Head Coach of the Indian Cricket Team.
- The decision of his selection was taken in the BCCI working committee meeting in Dharamshala, Himachal Pradesh.
- He has been appointed for the period of one year.
- Selection of the bowling, batting and assistant coaches will be done soon.
- Forty-five year old Anil Kumble was among 57 candidates who applied for the position advertised by the BCCI earlier in June 2016.
- The Cricket Advisory Committee comprising Sachin Tendulkar, VVS Laxman and Saurav Ganguly then proposed the name of Kumble after interviewing a number of candidates.
- Kumble's international cricket career spans 18 years.
- He is the highest wicket-taker for India till date and third in the international list, behind Muttiah Muralitharan and Shane Warne.
- Kumble has played 132 tests, claiming 619 wickets including a best of 10 for 74 against Pakistan in Delhi in 1999. He accumulated 337 ODI wickets.
- In Twenty20 internationals, he captured 57 wickets in 54 matches. Overall, Kumble has 1136 wickets to his name in first class cricket.
- Kumble was awarded Padma Shri(2005), India's fourth highest civilian honour and also received Arjuna Award(1995).
- He was Wisden Cricketer of the Year in 1996.
- He was appointed Chairman of the ICC Cricket Committee in 2012, a position he still holds. He was also included into the Great Hall of Fame in 2015.

## Per Lodin

**Question:** Major General Per Lodin has been appointed as the head of United Nations Military Observers Group in India and Pakistan (UNMOGIP). He is related to which of the following country?

- (a) Switzerland (b) Sweden  
(c) Ireland (d) Britain

**Ans.(b)**

**Related facts:**

- On 8th June 2016 United Nations Secretary-General Ban Ki-moon has appointed Major General Per Lodin of Sweden as the head of the United Nations Military Observers Group in India and Pakistan (UNMOGIP).
- Major General Lodin succeeds Major General Delali Johnson Sakyi of Ghana, who will complete his two-year assignment on 2nd July 2016.
- United Nations Military Observers Group in India and Pakistan (UNMOGIP) was formed by the resolution 47 (1948) of the Security Council which decided to enlarge the membership of United Nations Commission for India and Pakistan (UNCIP) and to recommend various measures including the use of observers to stop the fighting.
- At the recommendation of UNCIP, the Secretary-General appointed the Military Adviser to support the Commission on military aspects and provided for a group of military observers to assist him.
- The first group of United Nations military observers arrived in the mission area on 24 January of 1949 to supervise the ceasefire between India and Pakistan in the State of Jammu and Kashmir.
- On 30 March 1951, following the termination of UNCIP, the Security Council, by its resolution 91 (1951) decided that UNMOGIP should continue to supervise the ceasefire in Jammu and Kashmir.
- In July 1972, India and Pakistan signed an agreement defining a Line of Control in Kashmir.
- India took the position that the mandate of UNMOGIP had lapsed, since it was related specifically to the ceasefire line under the Karachi Agreement. Pakistan, however, did not accept this position.
- The Secretary-General's position has been that UNMOGIP could be terminated only by a decision of the Security Council.
- The military authorities of Pakistan have continued to lodge complaints with UNMOGIP about ceasefire violations. The military authorities of India have lodged no complaints since January 1972.
- The offices of UNMOGIP are situated in Srinagar and Islamabad. From May to October the headquarters remain in Srinagar, while from November to April, it is shifted to Islamabad.
- The UNMOGIP has strength of 44 military observers, 25 international civilian personnel and 47 local civilian staff.

## Pen Pinter Prize-2016

**Question: Who among the following has won the 2016 Pen Pinter Prize?**

- (a) James Fenton
- (b) Raif Badawi
- (c) Margaret Atwood
- (d) None of these

**Ans: (c)**

**Related facts:**

- On 16 June 2016 Canadian poet, novelist and environmental activist Margaret Atwood was awarded the 2016 PEN Pinter Prize.
- She was chosen by judges Vicky Featherstone, Zia Haider Rahman, Peter Stothard, Antonia Fraser and President of English PEN and Chair of Judges, Maureen Freely.
- Atwood is third novel writer to win Pen Pinter prize.
- She will receive her award at a public event at the British Library on 13 October 2016.
- At the same time Margaret Atwood will announce her co-winner, the 2016 International Writer of Courage, selected from a shortlist of international cases supported by English PEN.
- She has been shortlisted for the Booker Prize five times (1986, 1996, 2003, 2005 and 2007).
- She won the Booker Prize for his book "The Blind Assassin" in 2000.
- In 2001, she was inducted into Canada's Walk of Fame.
- She has been a finalist for the Governor General's Award several times, winning twice.
- The PEN Pinter Prize is an annual literary award launched in 2009 by English PEN.
- It was launched in honour of the late Nobel Literature Prize-winning playwright Harold Pinter.
- The award is given to "a British writer or a writer resident in Britain of outstanding literary merit who, in the words of Pinter's Nobel speech ['Art, Truth and Politics'], casts an 'unflinching, unswerving' gaze upon the world and shows 'a fierce, intellectual determination ... to define the real truth of our lives and our societies'."
- This year, for the first time, the prize is open to writers from the Republic of Ireland and the Commonwealth, as well as from the UK.
- The 2015 PEN Pinter Prize was awarded to James Fenton, who shared the prize with Raif Badawi as the International Writer of Courage.

# OPERATIONS & CAMPAIGN

## Exercise Malabar – 2016

**Question: Which among the following countries have participated in the recently held Exercise Malabar – 2016?**

- (a) India, Sri Lanka, and Japan
- (b) India, United States and Japan
- (c) India, Israel and United States
- (d) India, United States and Mongolia

**Ans.(b)**

**Related facts:**

- On 10th June 2016 India, Japan and United States (US) Navies started 20th edition of Exercise MALABAR-16. It is a trilateral naval exercise near South China Sea.
- The 20th edition of the exercise, Ex-MALABAR-16 will be conducted from 10th to 17th June 2016 in two phases.
- The harbour phase at Sasebo from 10th to 13th June 2016 and the sea phase in the Pacific Ocean from 14th to 17th June 2016.
- Besides Indian Navy (IN) and the United States Navy (USN), the Japanese Maritime Self-Defense Force (JMSDF) will also participate in the exercise.
- The primary objective of this exercise is to enhance interoperability among the three navies and develop common understanding of procedures for Maritime Security Operations.
- The Indian Navy ships participating in the exercise are from the Eastern Fleet and include INS Sahyadri and INS Satpura,
- indigenously built guided missile stealth frigates, INS Shakti, a modern fleet tanker and support ship and INS Kirch an indigenous guided missile corvette.
- The United States Navy will be represented by ships like CTF 70 of the USN 7th fleet, which is based at Yokosuka, Japan.
- In addition to this, one nuclear powered submarine, carrier wing aircraft and Long Range Maritime Patrol aircraft will also participate in the exercise.
- The Japanese Maritime Self Defense Force (JMSDF) will be represented by JS Hyuga, a helicopter carrier with SH 60 K integral helicopters and Long Range Maritime Patrol aircraft, besides other advanced warships for specific parts of the exercise.
- Additionally, the Special Forces (SF) of the three navies will also interact during the exercise.
- Since 1992, Indian and US navies have regularly conducted the annual bilateral exercise. Since 2007, exercise Malabar has been held alternatively off India and in the Western Pacific.
- In 2015, it was conducted off Chennai coast in the Bay of Bengal and included participation of Japan making it trilateral naval exercise.

## Swachh Yug Mission

**Question: Name the campaign which aimed at making Gram Panchayats along the Ganga Open Defecation Free?**

- (a) Swachh Bharat Mission
- (b) Swachh Yug Mission
- (c) Namami Gange project
- (d) None of these

**Ans:(b)**

**Related facts:**

- From 6 June 2016. Ministry of Drinking Water & Sanitation is intensifying its effort to make all villages along the banks of the Ganga Open Defecation Free (ODF).
- For this purpose the Ministry will give its support to the five States of Uttarakhand, Uttar Pradesh, Bihar, Jharkhand and West Bengal.
- The Ministry of Drinking Water and Sanitation is working in partnership with Ministry of Youth Affairs and Sports, and Ministry of Water Resources, River Development and Ganga Rejuvenation.
- The campaign, being a collaborative effort between the Swachh Bharat Mission, local youth leaders (Yuva) and the Namami Gange project (Ganga) – is being called 'Swachh Yug', which translates into 'the age of Swachh'.
- The Ministry of Youth Affairs, under the coordination of the Nehru Yuva Kendra Sangathan, is enlisting the support of youth agencies such as the Bharat Scouts and Guides, Nehru Yuva Kendras and National Service Scheme.
- The first Virtual Classroom was launched on June 7, 2016, with 12 districts of Bihar undertaking a 5 day training for 50 youth volunteers in each location, connected to the trainer virtually.
- There are 5,169 villages along the river Ganga that fall under 1,651 Gram Panchayats (GPs), 52 districts, and 5 States.
- To take this initiative forward, a nodal officer has been identified for each district to work on making their district Open Defecation Free (ODF) in mission mode as well as to focus on 'Swachhta' at the village through proper Solid and Liquid Waste Management and maintaining general cleanliness.

## Suggestions from Committee on Delhi Traffic Decongestion

**Question:** Recently a High Powered Committee on 'Decongestion of Traffic in Delhi' has given its suggestions. The committee was formed by-

- (a) Delhi state government
- (b) Municipal Corporation
- (c) Ministry of Urban Development
- (d) None of these

**Ans:(c)**

**Related facts:**

- On 5 June 2016 The Rajiv Gauba Committee on Decongestion of Traffic in Delhi submitted its report to the Union Ministry of Urban Development.
- The Committee set up by the Minister of Urban Development M.Venkaiah Naidu in October,2014
- The committee called for a paradigm shift in transport planning and policy interventions to check explosive growth in automobile population in the national capital.
- It recommended moving people more efficiently than cars through effective public transport system.
- The Committee concluded that the explosive growth in automobile population needs to be checked quickly by adopting a 'carrot and stick' policy of enabling increased use of public and non-motorised transport.
- It recommended for disincentivising use of private vehicles through deterrent parking pricing and Congestion Tax.
- It also recommended Rs.20,000 cr investment through BRTS(Bus Rapid Transit System), Buses, walking and cycling infrastructure.
- It also acknowledge that automobile centric planning with focus on road widening, construction of more and more flyovers, Foot Over Bridges, Under Passes etc., have only promoted increased use of private vehicles.
- Such vehicles are meeting only less than 20% of transport needs and should not be encouraged unless warranted by natural barriers like rivers.

# PLANNING & PROJECT

## Pilot Programme to run two wheelers on CNG launched

**Question:** In which of the following city, the first of its kind Pilot Programme in the country to run two wheelers on Compressed Natural Gas (CNG) was launched?

- (a) New Delhi
- (b) Chennai
- (c) Hyderabad
- (d) Chandigarh

**Ans: (a)**

**Related facts:**

- On 23 June 2016 Minister of State for Petroleum and Natural Gas (I/C) Dharmendra Pradhan and Minister of State (I/C) for Environment, Forests & Climate Change Prakash Javadekar launched Pilot Programme in the country to run two wheelers on Compressed Natural Gas (CNG) in New Delhi.
- This programme is first of its kind in the country.
- The 'Hawa Badlo' movement is a people's initiative to fight air pollution which is supported by GAIL and city gas distribution companies.
- 'Hawa Badlo' also supports research initiatives in this regard, of which the CNG retrofitted two wheeler programme is a part.
- As per idle emission test, the hydrocarbon emissions from CNG retrofitted two wheelers are 75% lesser and CO(Carbon Monoxide)emissions are 20% lesser as compared to petrol driven similar models.

## Korea Plus

**Question:** Recently the Commerce & Industry Minister Nirmala Sitharaman and Joo Hyunghwan, the Minister of Trade, Industry & Energy, Government of the Republic of Korea, had launched “Korea Plus”. It is a special initiative to promote-

- (a) Cooperation in the field of Energy
- (b) Cooperation in the field of Space
- (c) Korean Investments in India
- (d) Cooperation in the field of Tourism

**Ans: (c)**

### Related facts:

- On 18 June 2016 the Commerce & Industry Minister Nirmala Sitharaman and Joo Hyunghwan, the Minister of Trade, Industry & Energy, Government of the Republic of Korea, launched “Korea Plus”.
- It is a special initiative to promote and facilitate Korean Investments in India.
- An MOU for establishing Korea Plus was earlier signed between the Ministry of Trade, Industry and Energy, Govt. of the Republic of Korea and Invest India, the National Investment Promotion & Facilitation Agency of India in January 2016.
- This MOU came as an outcome of the visit of the Indian Prime Minister to South Korea in May 2015.
- Korea Plus, operationalized on June 18, 2016 comprises of a representative from the Ministry of Industry, Trade and Energy, Government of the Republic of Korea and representative from Korea Trade Investment and Promotion Agency (KOTRA) and three representatives from Invest India.
- The mandate of Korea Plus covers the entire investment spectrum including supporting Korean enterprises entering the Indian market for the first time, looking into issues faced by Korean companies doing business in India and policy advocacy to the Indian Government on their behalf.
- Korea Plus will act as a mediator in arranging meetings, assisting in public relations and research/evaluation and provide information and counselling in regard to Korean companies’ investing in India.

## Government Launches Scheme for setting up 1000 MW CTU-connected Wind Power Project

**Question:** Recently Ministry of New and Renewable Energy (MNRE) has launched Scheme for setting up Wind Power Project connected to transmission network of Central Transmission Utility (CTU) of how much Mega watt?

- (a) 2000 MW
- (b) 1000 MW
- (c) 1500 MW
- (d) 500 MW

**Ans:(b)**

**Related facts:**

- On 15 June 2016 Ministry of New and Renewable Energy (MNRE) has launched Scheme for setting up of 1000 MW Wind Power Project connected to transmission network of Central Transmission Utility (CTU).
- The scheme was launched with the objective to facilitate supply of wind power to the non-windy states at a price discovered through transparent bidding process.
- Ministry has designated Solar Energy Corporation of India (SECI) as nodal agency for implementation of the scheme.
- The Government of India has set an ambitious target of achieving 175 GW power capacity from renewable energy resources by 2022 and out of this 60 GW has to come from wind power.
- The Scheme will be implemented for setting up 1000 MW capacity of CTU connected Wind Power Projects by Wind Project Developers on build, own and operate basis.
- The present wind power installed capacity in the country is nearly 26.7 GW sharing around 9% of total installed capacity.
- India is at 4th position in term of wind power installed capacity after China, USA and Germany.
- The Wind power potential in the country is assessed by the National Institute of Wind Energy (NIWE) at 100 meter above ground level, which is estimated to be over 302 GW.

## Open government data portal launched

**Question:** Which of the following state become the first state in India to have an open government data portal.

- (a) Sikkim
- (b) Assam
- (c) Kerala
- (d) Goa

**Ans:(a)**

**Related facts:**

- On 11 June Sikkim became the first state in India to have an open government data portal.
- Open Government Data Portal of Sikkim—sikkim.data.gov.in – is a platform for supporting Open Data initiative of Government of Sikkim.
- The portal is intended to be used by Departments/Organizations of Government of Sikkim to publish datasets, documents, services, tools and applications collected by them for public use.
- It intends to increase transparency in the functioning of the state Government and also open avenues for many more innovative uses of Government Data to give different perspective.
- Open Government Data Portal of Sikkim is designed and developed by the Open Government Data Division of National Informatics Centre (NIC), Department of Electronics and Information Technology (DeitY), Government of India.
- The portal has been created under Software as A Service (SaaS) model of Open Government Data (OGD) Platform India of NIC.
- It may be recalled that ‘Sikkim Open data Acquisition and Accessibility Policy-2014’ was passed by the government in 2014.

## Mobile App ‘RajVayu’ on Air Quality Index Launched

**Question:** Which of the following state had recently launched mobile application named “RajVayu” on Air Quality Index?

- (a) Uttar Pradesh
- (b) Madhya Pradesh
- (c) Kerala
- (d) Rajasthan

**Ans:(d)**

**Related facts:**

- Rajasthan Chief Minister, Vasundhara Raje on the eve of World Environment Day (5th June) has launched a mobile app ‘RajVayu’.
- This mobile application will be used for sharing information about Air Quality Index of Jaipur, Udaipur and Jodhpur.
- The app has been designed by Rajasthan State Pollution Control Board (RSPCB) jointly with Indian Institute of Tropical Meteorology (IITM).
- Information provided on RajVayu app will be based on the data collected by sophisticated air quality monitoring equipment and weather sensors.
- It will share details about the air quality, such as levels of pollutants likes SO<sub>x</sub>, NO<sub>x</sub>, CO, Ozone particles and Particulate Matter (PM) with the city residents and tourists.
- It will also share temperature, wind speed, humidity, weather forecast and advisories.
- Another app ‘Drishti’ for monitoring of pollution levels in industrial regions was also launched by CM.
- This is based on the System of Air Quality and Weather Forecasting Research (SAFAR-India).

## Solar Power Policy

**Question:** Recently which of the following state has announced its solar power policy?

- (a) Madhya Pradesh
- (b) Karnataka
- (c) Rajasthan
- (d) Delhi

**Ans:(d)**

**Related facts:**

- On 6 June 2016 The Delhi Government announced implementation of its solar policy.
- The solar policy, finalised at a cabinet meeting chaired by Chief Minister Arind Kejriwal.
- The government came with the policy announcing incentives and tax breaks to promote solar power.
- Also making it mandatory for government and public institutions to install rooftop solar panels.
- The policy aims at making the national capital a solar city with installation of 1 GW solar power capacity by 2020.
- This target is proposed to double it to 2 GW during further next five years.
- The government mentioned that building by laws were amended for rooftop solar installations up to the height of two metres.
- Delhi become the first state to implement Solar energy policy.
- It may be recalled that for reducing pollution in Delhi, earlier the Delhi Government announced the scheme of odd-even from January 1, 2016 to 15 January 2016.

## New train launched on the World Environment Day

**Question:** Name the new train launched on the World Environment Day?

- (a) Tiger tourism express
- (b) Tiger reserve express
- (c) Tiger express
- (d) Bandhavgarh Express

**Ans:(c)**

**Related facts:**

- On 5 June 2016 Railway minister Suresh Prabhu has flagged off the inaugural run of the Tiger Express train through video conferencing from Delhi Safdarjung Station.
- The launch of this Tiger Express on World Environment Day is to highlight the significance of environment in our lives.
- The train with 5 days/6 nights itinerary will start from Delhi Sudfarjung railway station and travel via Katani, Jabalpur, Bandhavgad, Kanha.
- The Kanha National Park is known for the presence of tigers, Swamp Deer, and the Barasingha.
- It is also recognized as the source of inspiration for the famous writer Rudyard Kipling for his famous novel, "The Jungle Book".
- This tourist train will be operated by Indian Railway PSU namely Indian Railway Catering and Tourism Corporation (IRCTC).
- The launch of the 'Tiger Express' is in tune with the announcement in this regard in the Railway Budget 2016-17. The objective of the train is to create awareness about our national animal, the Tiger.

# National Disaster Management Plan

**Question: When did Prime Minister Narendra Modi released the National Disaster Management Plan (NDMP)?**

- (a) 2 June
- (b) 1 June
- (c) 3 June
- (d) 31 June

**Ans:(b)**

**Related facts:**

- On 1 June 2016 Prime Minister Narendra Modi released the National Disaster Management Plan (NDMP).
- This is the first ever national plan prepared in the country.
- Following are the highlights of the NDMP:
  - I. The NDMP has been aligned broadly with the goals and priorities set out in the Sendai Framework for Disaster Risk Reduction.
  - II. The Vision of the Plan is to “Make India disaster resilient, achieve substantial disaster risk reduction, and significantly decrease the losses of life, livelihoods, and assets – economic, physical, social, cultural and environmental – by maximizing the ability to cope with disasters at all levels of administration as well as among communities.
  - III. For each hazard, the approach used in this national plan incorporates the four priorities enunciated in the Sendai Framework into the planning framework for Disaster Risk Reduction under the following five Thematic Areas for Actions:
    - a. Understanding Risk, b. Inter-Agency Coordination, c. Investing in DRR – Structural Measures, d. Investing in DRR – Non-Structural Measures, e. Capacity Development
  - IV. The Response part of the Plan has identified eighteen broad activities which have been arranged into a matrix to be served as a ready reckoner. It includes-
    - a. Early Warning, Maps, Satellite inputs, Information Dissemination, b. Evacuation of People and Animals, c. Search and Rescue of People and Animals, d. Medical Care, .Drinking Water/ Dewatering Pumps/ Sanitation Facilities/ Public Health, f. Food & Essential Supplies, g. Communication, h. Housing and Temporary Shelters, i. Power, j. Fuel, k. Transportation, l. Relief Logistics and Supply Chain Management, m. Disposal of Animal Carcasses, n. Fodder for livestock in scarcity-hit areas, o. Rehabilitation and Ensuring Safety of Livestock and other Animals, Veterinary Care, p. Data Collection and Management, q. Relief Employment, r. Media Relations
  - V. The matrix has six thematic areas in which Central and State Governments have to take actions to strengthen disaster risk governance:
    - a. Mainstream and integrate DRR and Institutional Strengthening, b. Capacity Development, c. Promote Participatory Approaches, d. Work with Elected Representatives, e. Grievance Redress Mechanism, f. Promote Quality Standards, Certifications, and Awards for Disaster Risk Management
  - VI. The National Disaster Management Plan (NDMP) provides a framework and direction to the government agencies for all phases of disaster management cycle.

# TREATY & AGREEMENTS

## Asian Development Bank (ADB) approved a \$500 million loan

**Question:** Recently the Asian Development Bank (ADB) had approved a \$500 million loan for India to build a bridge across which of the following river of India?

- (a) Yamuna
- (b) Ganga
- (c) Godavari
- (d) Kaveri

**Ans:(b)**

### Related facts:

- On 24 June 2016 the Asian Development Bank (ADB) approved a \$500 million loan to build a bridge across India's Ganges River.
- The 9.8 kilometre (km) road bridge in the north-eastern state of Bihar will be India's longest river bridge.
- It will provide vital transport links between the northern and southern parts of the state and with neighbouring Nepal.
- The new bridge will make it easier for people to move between jobs and markets, particularly for poorer communities in the north wishing to travel to the state capital, Patna, just south of the river.
- The new Ganga Bridge, to be located near Patna, will span both channels of the Ganges River and serve as an alternate route to the existing Ganga Bridge, which has begun to deteriorate.
- The bridge, using state-of-the-art engineering techniques, will be the first of its kind in India.
- Along with ADB's loan and \$900,000 in technical assistance to improve bridge operation and management, the state government of Bihar will provide support equivalent to \$215 million.
- The project will run for about 4 years with an expected completion date of the end of December 2020.
- ADB, based in Manila, is dedicated to reducing poverty in Asia and the Pacific through inclusive economic growth, environmentally sustainable growth, and regional integration.
- It was established in 1966, ADB in December 2016 will mark 50 years of development partnership in the region.
- It is owned by 67 members—48 from the region. In 2015, ADB assistance totalled \$27.2 billion, including co financing of \$10.7 billion

## Agreement for avoidance of double taxation and prevention of fiscal evasion

**Question:** Recently the Union Cabinet has approved the signing of a Protocol amending the Agreement for avoidance of double taxation and prevention of fiscal evasion with which of the following country?

- (a) Sri Lanka
- (b) Belgium
- (c) Australia
- (d) United Kingdom

**Ans:(b)**

**Related facts:**

- On 22 June 2016 the Union Cabinet has approved the signing of a Protocol amending the Agreement between India and Belgium for avoidance of double taxation and prevention of fiscal evasion with respect to taxes on income.
- The amendment in the Protocol will broaden the scope of the existing framework of exchange of tax related information between the two countries.
- This will help curb tax evasion and tax avoidance.
- The Protocol will also revise the existing treaty provisions on mutual assistance in collection of taxes.

## MoU between ISRO and Canadian Space Agency (CSA)

**Question:** Recently the Union Cabinet has been apprised of the MoU between Department of Space / Indian Space Research Organization (DOS/ISRO) and Canadian Space Agency (CSA) on-

- (a) Manufacturing of Equipment.  
(b) Cooperation in Research  
(c) Cooperation in the field of outer space  
(d) Cooperation in the field of satellite launch

**Ans:(c)**

**Related facts:**

- On 15 June 2016 the MoU was signed in Ottawa, Canada on 15th April 2015. The Union Cabinet under the Chairmanship of Prime Minister Shri Narendra Modi has been apprised of the Memorandum of Understanding between Department of Space / Indian Space Research Organization (DOS/ISRO) and Canadian Space Agency (CSA) on cooperation in the field of outer space.
- The MoU was signed in Ottawa, Canada on 15th April 2015.
- The MoU would lead to establishment of joint team, drawing members from ISRO and CSA.
- The team will further work out the plan of action including examination and defining cooperative projects and the time-frame.  
This will also provide opportunities for diverse research in the field of peaceful uses of space technologies.

## Asian Development Bank approves \$100 million loan

**Question:** Recently the Asian Development Bank (ADB) has approved a \$100 million loan to strengthen a key irrigation system and improve water management in the Vennar sub-basin of the Cauvery delta in which of the following state?

- (a) Tamil Nadu
- (b) Karnataka
- (c) Kerala
- (d) Puducherry

**Ans.(a)**

### Related facts:

- On 8th June 2016 the Asian Development Bank (ADB) approved a \$100 million (around Rs. 660 crore) loan to strengthen a key irrigation system and improve water management in the Vennar sub-basin of the Cauvery delta in Tamil Nadu.
- The loan funds will be spent on both physical improvements and stronger water management to give significant boost to the lives of coastal communities who do not have sufficient irrigation water.
- The project will strengthen the embankments of six major irrigation water channels in the Vennar system to make them more resilient to floods and upgrade water regulators, sluices and pump stations.
- The work is expected to be completed by December 2020.
- The Cauvery delta, on the east coast of Tamil Nadu, is known as the “rice bowl” of the state, with over 70% of the delta population engaged in farming and fishing, but access to water is unreliable and flooding is common during the monsoon season.
- Asian Development Bank (ADB) based in Manila, is dedicated to reducing poverty in Asia and the Pacific region through inclusive economic growth, environmentally sustainable growth, and regional integration.
- Established in 1966, Asian Development Bank in December 2016 will complete 50 years of development partnership in the region. Currently it has 67 members out of which 48 are from the Asian region.

## Agreement between Government of India and Asian Development Bank

**Question:** Recently Government of India and the Asian Development Bank (ADB) signed a loan agreement to improve irrigation and water management infrastructure in Odisha. The amount of the loan is-

- (a) \$200 million
- (b) \$250 million
- (c) \$120 million
- (d) \$150 million

**Ans:(c)**

**Related facts:**

- On 7 June 2016, Government of India and the Asian Development Bank (ADB) signed a \$120 million loan agreement here today to improve irrigation and water management infrastructure in Odisha.
- The loan is the second tranche of a \$157.5 million financing facility under the Orissa Integrated Irrigated Agriculture and Water Management Investment Program.
- The financing will be used for modernizing seven irrigation subprojects resulting in improved irrigation in over 100,000 hectares, and strengthening of Water User Associations (WUAs) and the institutional capacity of Odisha's Department of Water Resources.
- The selected areas for the investment program are the Baitarani, Brahmani, Budhabalanga, and Subernarekha river basins and part of the Mahanadi delta.
- The second tranche loan from ADB's ordinary capital resources has a 20-year term.
- The State of Odisha, acting through its Department of Water Resources is responsible for implementing the tranche 2 activities and overall program, which are both due for completion by September 2018.
- ADB(Asian Development bank) is a regional development bank established on December 19, 1966 to facilitate economic development of Asian countries.
- The Headquarter of ADB is in Manila, Philippines.

# CONFERENCE

## 3rd National Standards Conclave

**Question:** The 3rd National Standards Conclave was held at-

- (a) Mumbai
- (b) New Delhi
- (c) Lucknow
- (d) Ahmedabad

**Ans:(b)**

**Related facts:**

- On 23-24 June 2016; The 3rd National Standards Conclave was held in New Delhi.
- It was organized by Department of Commerce, Government of India in collaboration with Confederation of Indian Industry (CII), Bureau of Indian Standards (BIS) and the National Accreditation Board for Certification Bodies (NABCB) and other knowledge partners.
- The Conclave was inaugurated by Commerce and Industry Minister, Nirmala Sitharaman.
- The objective of the two day Conclave was to bring awareness and prepare Industries, Central Government Ministries, State Governments, regulatory/standards setting and conformity assessment bodies on the growing importance of “Standards” in the changing scenario of global trade.
- The Standards Conclave was held in the backdrop of diminishing importance of tariffs and rising influence of standards and regulation both in goods and services trade.
- It must be recognized that the days of differential standards – low for domestic market and high for exports – are over and if the Indian industry has to survive and thrive, it has to adopt global standards.
- The conclave shall fulfil the vision of Hon’ble Prime Minister for “Zero Defect, Zero Effect” and Make in India campaigns.

# ASSOCIATIONS & ORGANIZATIONS

## India joined the Missile Technology Control Regime (MTCR)

**Question:** Recently India joined the Missile Technology Control Regime (MTCR) as a full member. India joined as the-

- (a) 34th Member
- (b) 35th Member
- (c) 40th Member
- (d) 42nd Member

**Ans: (b)**

**Related facts:**

- On 27 June 2016 India joined the Missile Technology Control Regime (MTCR) as a full member at a ceremony in South Block, attended by Foreign Secretary S Jaishankar and diplomats from the Netherlands, France and Luxembourg missions.
- India become the 35th member of the Regime.
- The membership will strengthen the international efforts to prevent proliferation of delivery systems (ballistic missiles or unmanned aircraft) capable of delivering weapons of mass destruction.
- MTCR membership will now enable India to buy high-end missile technology and also enhance its joint ventures with Russia.
- The aim of the MTCR is to restrict the proliferation of missiles, complete rocket systems, unmanned air vehicles and related technology for those systems capable of carrying a 500 kilogramme payload for at least 300 kilometres, as well as systems intended for the delivery of weapons of mass destruction.
- The annual plenary meeting of the MTCR will be held in the Republic of Korea in October 2016.
- The MTCR was originally established in 1987 by Canada, France, Germany, Italy, Japan, the United Kingdom and the United States.
- Presently, the number of MTCR partners has increased to a total of thirty-five countries, all of which have equal standing within the Regime.

## Cabinet approves India's Membership of the International Continental Scientific Drilling Program

**Question:** Recently the Union Cabinet has given its approval for Indian membership of the International Continental Scientific Drilling Program (ICDP), It is located in which of the following country?

- (a) Japan
- (b) Germany
- (c) Canada
- (d) California

**Ans:(b)**

### Related facts:

- On 15 June 2016 the Union Cabinet has given its approval for Indian membership of the International Continental Scientific Drilling Program (ICDP) consortium by signing an MoU with the Helmholtz Centre Potsdam GFZ German Research Centre for geosciences.
- This is a government-funded, Public Law Foundation of the State of Brandenburg, Germany.
- As a member of ICDP, scientists/engineers from India would have right to submit proposals, to participate in all ICDP co-funded workshops and drilling projects.
- They will also have access to all data results from ICDP projects.
- This will shed new light on the genesis of seismicity and better understanding of earthquake processes.
- As a part of the membership agreement, India will get a seat on two ICDP panels – Executive Committee (EC) and Assembly of Governors (AOG).

## India Becomes World's Third Largest Oil Consumer

**Question :** Which of the following country is World's Third Largest Oil Consumer?

- (a) China
- (b) Australia
- (c) United States of America
- (d) India

**Ans:(d)**

**Related facts:**

- According to recently released BP Statistical Review of World Energy on 8 June 2016, India has surpassed Japan to become the world's third-largest oil consumer.
- With demand of 4.1 million barrels a day (bpd), India is the third-largest consumer behind the United States (19.39 million bpd) and China (11.96 million bpd).
- India accounted for 4.5 per cent of world oil consumption in 2015.
- Oil remained the world's leading fuel, accounting for 32.9 per cent of global energy consumption and is gaining market share for the first time since 1999. Coal came in as the second-largest fuel by market share (29.2 per cent).
- Natural gas' market share of primary energy consumption stood at 23.8 per cent.

## The world's longest rail tunnel

**Question:** Recently the world's longest railway tunnel, Gotthard is built in which of the following country?

- (a) Switzerland (b) Spain  
(c) Russia (d) France

**Ans: (a)**

**Related facts:**

- On 29 May 2016 the final phase of operational testing of world's longest and deepest railroad tunnel "Gotthard Base Tunnel" has concluded.
- The 57-kilometer (35-mile) two-single track Gotthard Base Tunnel is one of the main railroads of Alps.
- It will connect the northern and southern Europe.
- It is officially opened on June 1, 2016 but its full service is expected to start in December, 2016.
- Total cost of the project is 9.8 billion Swiss francs, or US\$10 billion.
- The idea to build this tunnel was born 69 years ago: Swiss engineer Eduard Gruner first came up with the concept in 1947.
- Gotthard Base Tunnel will overtake Japan's 53.9-kilometer Seikan Tunnel as the world's longest train tunnel.
