ECONOMIC SURVEY

2017-18

**UNION
BUDGET
2018-19**

Preface

Dear readers, we have started edristi English edition as well since August, 2015. We are hopeful that it will help us to connect to the broader audience and amplify our personal bonding with each other.

While presenting Day-to-day current affairs, we are very cautious on choosing the right topics to make sure only those get the place which are useful for competitive exams perspective, not to increase unnecessary burden on the readers by putting useless materials. Secondly, we have also provided the reference links to ensure its credibility which is our foremost priority. You can always refer the links to validate its authenticity.

We will try to present the current affairs topics as quickly as possible but its authenticity is given higher priority over its turnaround time. Therefore it could happen that we publish the incident one or two days later in the website.

Our plan will be to publish our monthly PDF on very first day of every month with making appropriate modifications of day-to-day events. In general, the events happened till 28th day will be given place in the PDFs. The necessity of this is to ensure the contents factual authenticity.

Reader's satisfaction is our utmost priority so requesting you to provide your valuable feedback to us. We will warmly welcome your appreciation/criticism given to us. It will surely show us the right direction to improve the content quality. Hopefully the current affairs PDF (from 1st January to 31st January) will benefit our beloved readers.

Current affairs data will be useless if it couldn't originate any competitive exam questions. E-Dristi has been very successful in that direction. Almost all the questions from UPPCS and other examinations have been asked from our materials. You can verify that by matching the question papers and e-Dristi contents from yourselves.

Barmer Refinery Project

Question: What one is not true about the Barmer refinery project?

- (a) This project will be set up in Pachpadra, Rajasthan.
- (b) The cost amount of this project will be Rs. 43,129 crores.
- (c) The goal of conclusion of engineering has been kept for 5 years.
- (d) The capacity of this refinery (BS-6) will be 9 MMTPA.

Answer: (c)

Related facts:

- On January 9th, 2018; according to a press release published by the Ministry of Petroleum and Natural Gas, Prime Minister Narendra Modi will launch the project work of Barmer Refinery in Pachpadra, Rajasthan on January 16th, 2018.
- The cost of this project will be Rs 43,129 crore.
- The goal of engineering conclusion has been kept 4 years.
- The capacity of this refinery will be 9 MMTPA.
- The equity shares of Hindustan Petroleum Corporation Limited (HPCL) in the refinery will be 74 per cent and Rajasthan's equity share will be 26 per cent.
- An interest free loan of Rs.1123 crore per annum for 15 years and the target of repayment of loan for the next 15 years from 16th year is fixed.
- The new refinery will produce updated BS-6 fuel.
- During the construction period, indirectly 40,000 jobs and 1000 direct employment opportunities will be created.
- This will improve in the field of social uplift, the skill development and the ability to earn education and improve the quality of life.
- In the field of economic development, it will set up other industries and subsidiary industries based on petrochemicals.
- Infrastructure like road and communication networks, schools and colleges and medical, health and service industries will be developed.
- It is known that in 2013 this project was approved by the Government of India.

- The then Congress President Sonia Gandhi laid its foundation stone in Pachpadra in Barmer on September 22, 2013 (before commencement of the code of conduct from September 27, 2013).
- Earlier, the IRR of the project was 6.32 percent, which is now 12.2 percent.
- Due to this, the financial burden on the state government has come down from Rs 56,040 crore to Rs 16,845 crore.
- This has saved the state government nearly Rs 40,000 crore.
- In lieu of land cost of 188.80 crores, the Government of India has been given equity in this project.
- For undertaking project work all necessary permissions / approvals have been obtained from the Government of India for revised project and environmental permission from the Ministry of Environment and Forests.
- 32 acres land has been acquired for the refinery plant and 250 acres for marketing terminal in Pachpadra (Barmer).
- It is worth mentioning that this will be the first BS-6 fuel refinery in the country.

NABARD (Amendment) Bill, 2017

Question: After the approval of the Rajya Sabha on January 2nd, 2018, the Parliament passed the NABARD (Amendment) Bill, 2017. Consider the following statements related to this?

- (i) The Bill seeks to increase the authorized capital of NABARD from Rs 5000 to Rs 30,000 crore.
- (ii) The proposed bill has been made by the central government to acquire the central bank's stake in NABARD.
- (iii) There is a provision to include micro and medium enterprises in the proposed bill.

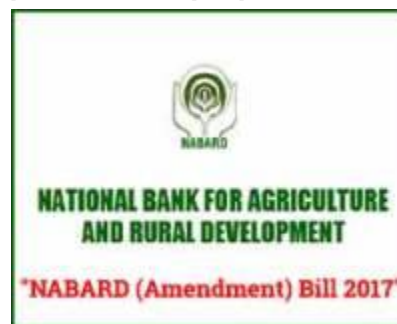

Which of the above statements is true?

- (a) Only (i) (b) Only (iii) (c) (ii) and (iii) (d) All of the above

Answer: (d)

Related facts:

- On January 2, 2018; after the approval of the Rajya Sabha, Parliament passed the 'NABARD (Amendment) Bill, 2017'.
- This bill has been passed already by the Lok Sabha in August, 2017.
- This Bill attempts to make NABARD more powerful by amending the NABARD Act, 1981.
- Some of the key provisions of this bill are as follows:
- Under the NABARD Act, 1981, the authorized capital could be up to Rs 100 crore, which can be increased by the Central Government to the extent of Rs 5000 crore by the advice of Reserve Bank of India. There is a provision to make this capital upto Rs. 30,000 crores in the current bill, which can be extended by the central government with the advice of RBI.
- The central government's minimum stake in NABARD has been fixed at 51 percent.

- According to the NABARD Act, 1981, there was a provision to keep the combined share of the central government and the Reserve Bank at a minimum of 51 percent in NABARD.
- The proposed bill provides for the central government's takeover of the Reserve Bank's stake in NABARD. At present, the share of the Reserve Bank is 0.4 percent, which is equivalent to about 20 crore rupees.
- The share of Government of India in NABARD is 99.6 per cent and after acquisition it will be a wholly owned Central Government entity.
- Under the provisions of the year 1981, NABARD provides only loans for small scale industries and cottage and village industries.
- There is a provision in the proposed bill to include micro and medium enterprises in this group.

Auction of FM Channels

Question: Auction of how many FM channels was approved in 236 cities by the Central Government recently?

- (a) 550 (b) 585 (c) 650 (d) 683

Answer: (d)

Related Facts:

- On December 20th, 2017, the Central Government approved the auction of 683 FM channels in 236 cities.
- This decision was taken at a meeting of the Union Cabinet chaired by Prime Minister Narendra Modi.

- The government has already completed auction of two batches of private FM channels.
- Now the government's plan is to conduct auction of third batch to cover many cities including Jammu and Kashmir and the North-Eastern states.
- It is known that at present where the target population is less than 1 lakh, there are no private FM radio channels.
- In the third phase, FM radio channels will be auctioned in 29 states and 6 Union Territories (except Dadra and Nagar Haveli).
- After the auction, private FM radio broadcasts can be started in these States / UTs.
- The auction is likely to earn an estimated revenue of more than Rs 1100 crore.
- Under the FM policy guidelines, auction of the first and second batch of private FM radio channels was conducted in the third phase in 2015 and 2016, respectively.
- In the first batch, 97 channels were sold in 56 cities and 66 channels were sold in 48 cities in the second batch.

First advance estimates of national income released

Question- Recently according to the 'First Advance Estimates of National Income' issued by 'Ministry of Statistics and Program Implementation', what percentage of India's GDP growth rate is estimated to be in the year 2017-18?

(a) 6.5 percent (b) 7.4 percent (c) 7.2 percent (d) 7.5 percent

Answer: (a)

Related Facts:

- On January 5th, 2018, for the year 2017-18 the first advance estimates of the National Income by the National Statistical Organization (CSO) were released.
- It is important that under this 'Ministry of Statistics and Program Implementation' this organization is a responsible institution for the compilation of national accounts.
- In addition, it compiles the Index of Industrial Production, annual survey of industries and organizing economic calculation and Consumer Price Index.
- According to the recent estimates of the CSO, GDP growth in the year 2017-18 is down by 0.6 percent from 7.1 percent in the year 2016-17.
- Estimated growth of real GVA at the original prices in the year 2017-18 is 6.1 percent compared to 6.6 percent in the year 2016-17.
- Sectors that registered more than 7 percent are 'Public administration, defense and other services', 'services related to business, hotels, transport, communication and broadcasting', 'electricity, gas, water supply and other utility services, and' financial, Real estate and professional services'.
- In the year 2017-18, the increase in 'agriculture forestry and fishing', 'mining and quarrying', 'manufacturing and construction' is estimated at 2.1 percent, 2.9 percent, 4.6 percent and 3.6 percent, respectively.
- Whereas in the previous year (2016-17) the growth rate of these sectors is 4.9 percent, 1.8 percent, 7.9 percent and 1.7 percent, respectively.

- Thus, due to poor performance of agriculture and manufacturing sector, the growth rate of GDP will be at the lower level of 6.5% in the current year 2017-18.
- This will be the lowest growth rate in the current working Central Government.
- The increase in per capita income is estimated at 5.3 percent this year (in 2017-18) compared to 5.7 percent for the year 2016-17.

The Fastest Indian Supercomputer so far Unveiled

Question- Recently, the fastest Indian supercomputer so far unveiled by the Ministry of Earth Sciences. What is its name?

(a) Aditya (b) Pratyush (c) Surya (d) Param Yuva-2

Answer: (b)

Related Facts:

- On January 8th, 2018, Honorable Union Minister for S&T, Earth Sciences, and Environment, Forest and Climate Change Dr. Harsh Vardhan dedicated India's fastest and first multi-petaflops supercomputer to the nation at IITM Pune.
- The Pratyush Support Portal (<http://pratyush.tropmet.res.in/>) was launched by Dr. M. Rajeevan , Hon'ble Secretary, MoES .
- The supercomputer named as 'Pratyush' meaning the Sun.
- It is established at the Indian Institute of Tropical Meteorology (IITM), Pune, will be a national facility for improving weather and climate forecasts and services under the umbrella of the Ministry of Earth Sciences (MoES), Govt. of India.
- With the augmentation of this new 'Pratyush' high performance computing (HPC) facility of 6.8 Peta Flops (PF), India's ranking will move from the 368 th position to around the top 30 in the Top 500 list of HPC facilities in the world.
- India will also be placed at the 4 th position after Japan, UK and USA for dedicated HPC resources for weather/climate community.
- The new HPC of 6.8 PF computational power is installed at two MoES Institutes: 4.0 Peta Flops HPC facilities at IITM, Pune and 2.8 Peta Flops facility at NCMRWF, Noida.
- It will be used in more efficient monitoring of all natural disasters like tsunami, cyclonic storms, earthquakes etc. apart from a better prediction of monsoon in the country.
- Apart from this, the quality of air, the fishery industry, lightening, the observation of hot and cold waves and it will be used for flood and drought preparation.
- Actually 'Pratush' is a composite link for all computers, capable of calculating up to a maximum of 6.8 Petaflops.
- It is important that one Petaflop is equal to one million billions of floating point calculations per second and it is a unit to understand the calculation capacity of the supercomputer.

Bihar gets approval to play in National Cricket

Question: Recently, the Bihar Cricket Association (BCA) was approved by the Supreme Court to participate in other national level cricket competitions, including the Ranji Trophy. The bench gave this interim order, headed by which of the following judge?

- (a) A.M. Khanvilkar (b) Deepak Mishra (c) D.Y. Patil
(d) Kurian Joseph

Answer: (b)

Related Facts:

- On January 4th, 2017, the Bihar Cricket Association (BCA) was approved by the Supreme Court to participate in the other national level cricket competition, including the Ranji Trophy.
- The bench chaired by Chief Justice Deepak Mishra gave this interim order.
- The other two judges of the bench Justice A.M. Khanvilkar and Justice D.Y. Patil.
- Earlier, the Bihar cricket team was not allowed to participate in national level competitions.
- It is known that in 2000 the new state of Jharkhand made from Bihar was subscribed at that time.
- It is known that Bihar and Jharkhand had been partitioned 17 years ago and then Bihar's membership was given to Jharkhand.
- Bihar is not a full-time member of the BCCI.
- For this reason Bihar has not been able to participate in any competition since 2000.

South Australia's largest solar thermal power plant

Question- Recently, the South Australia government has approved the construction of the world's largest Solar-Thermal Power Plant. What will be its cost?

(a) 380 million pounds (b) 400 million pounds
(c) 450 million pounds (d) 350 million pounds

Answer: (a)

Related Facts:

- On January 10th, 2018, the world's largest solar thermal power plant was approved.
- The plant being constructed near Port Augusta, South Australia will be made by the US Company Solar Reserve.
- Its construction will start in 2018 and its construction cost will be approximately 650 million dollars (380 million pounds).
- The plant will create jobs options for 650 construction works and 50 other posts.
- This plant will be able to supply power to 90,000 households with full storage of energy for eight hours.
- The plant will consist of 12,000 mirrors focusing light on a 220-meter (700-foot) tower
- Sun light will heat the molten salt to 565 degree centigrade (1050°F) and will produce steam to run the turbine.
- Rotation of the turbine will generate 150 MW of electricity.
- Thus it will be the largest single-tower Solar Thermal Plant in the world.
- Plant is a major step towards becoming of southern state 100 percent renewable energetic of by 2030.

Bhavantar Bharpayee scheme

Question: Which of the following states government has launched a Bhavantar Bharpayee scheme recently?

(a) Madhya Pradesh (b) Chhattisgarh (c) Haryana (d) Jharkhand

Answer: (c)

Related Facts:

- On December 30th, 2017, Haryana Chief Minister Manohar Lal Khattar launched the Bhavantar Bharpayee scheme in Ganger village of Karnal district.
- The main objective of this scheme is to assure farmers of fair prices for their produce and emphasizing on diversification of crops.
- In the first phase, under the scheme, tomato, onion, potato and cauliflower have been included.
- Compensation at the rate of Rs 400 per quintal would be given for tomato and potato.
- Whereas Rs 500 per quintal would be given for onion and cauliflower.
- If the farmers get lesser than the fixed price for these vegetables, then the government will compensate them for it.
- Haryana is the first state in the country where the minimum preserved prices of vegetables have been fixed to protect the interests of farmers.
- In order to avail the benefits under this scheme, it is mandatory for the farmer to get registered under Bhavantar Bharpayee e-Portal during harvesting.
- A Crop Cluster Development Programme was also initiated.
- Under the scheme, it is to be ensured the income of Rs. 48000 to Rs. 50000 per acre on each of the above four crops.

- In the market, on selling of the vegetables at low prices within the prescribed period, in the market, the registered farmers will be compensated by the government through the BBY e-portal on the website (www.hasmb.gov.in) for the difference in the price.
- Compared to traditional crops, micro irrigation would be adopted for tomato, onion, potato and cauliflower crops to save water by working with about 30 per cent water and save about 70 per cent.
- The state government has been establishing small mandis in each district so that farmers could sell their produce in these mandis.
- Similarly, Asia's biggest mandi of fruits and vegetables is being established in Ganaur.
- It is known that during the period of sale, if the wholesale price of crop production is less than the protected value then the farmer will be eligible for compensation of the difference in the price.
- Incentive will be due on the sales on J-Farm and fixed production per acre (whichever is less) on multiplying by the difference in price.
- The incentive amount will be transferred to Aadhaar linked bank account of the farmers' within 15 days of the sale.
- The average daily wholesale price will be determined on the basis of daily price of the mandis marked by Mandi Board.
- The implementation of the scheme effectively will be assessed from time to time by the committees, constituted at the State Level by the Chief Secretary and at the district level under the chairmanship of Deputy Commissioner.

Intermodal Terminal in Uttar Pradesh

Question: In which of the following cities of Uttar Pradesh foundation stone for an Intermodal Terminal was laid on 25th January, 2018?

(a) Ghazipur (b) Allahabad (c) Varanasi (d) Jhansi

Answer: (a)

Related Facts:

- On January 25th, 2018, Union Minister for Road Transport & Highways, Shipping and Water Resources, River Development & Ganga Rejuvenation Shri Nitin Gadkari, laid the foundation stone for an Intermodal Terminal at Ghazipur in Uttar Pradesh.
- Shri Manoj Sinha, Minister of State for Communication (Independent Charge) and Railways and Shri Keshav Prasad Maurya, Deputy Chief Minister of Uttar Pradesh also presented on the occasion.
- The Rs 155 Cr terminal is being constructed by the Inland Waterways Authority of India as part of the World Bank aided Jal Marg Vikas Project on river Ganga or the NW-I.
- The project aims to augment the navigational capacity of the river.
- The intermodal terminal at Ghazipur will have linkage to both NW-I or River Ganga and NH-19 which is just 650 metres away.
- NH19 links Ghazipur in Uttar Pradesh with Patna in Bihar.
- The terminal will have facilities like berths, storage areas and sheds, terminal building, communications systems and electrical substation. It will have a handling capacity of 12 lac tonnes per annum.
- As part of IWAI's efforts to promote environment friendly mode of transport, Liquefied Natural Gas (LNG) bunkering facility is also being planned at Ghazipur terminal. IWAI plans to run LNG fuelled vessels on NW1.
- The terminal is expected to provide between 5000 direct and indirect jobs. The first phase of the terminal construction is expected to be completed by April, 2020.

- The intermodal terminal at Ghazipur is one of the several sub projects under the Rs 5369 Crore Jal Marg Vikas project.

Oxford's first Hindi word of the year – 2017

Question- What was the first 'Hindi word of the year -2017' of Oxford Dictionaries?

(a) Notebandi (b) Aadhaar (c) Yoga (d) Bahubali

Answer: (b)

Related Facts:

- On January 27th, 2018, the word 'AADHAAR' was announced by Oxford Dictionaries as the "word of the year 2017" at the Jaipur Literature Festival.
- According to the traditional definition of base – the foundation on which all the weight of an object or idea is hinged.
- But this year this word came into discussion due to Aadhaar card being made mandatory by the government.
- This word now has another meaning-the 12-digit unique identification number issued by the government to all Indians.
- It is important to remember that Oxford Hindi Word of the Year was suggested by the Hindi-speaking people from all over the world including India.
- Apart from the 'Aadhaar', some other words such as Notebandi, Swachh, Vikaas, Yoga and Bahubali were too close to becoming the Hindi word of the year.

End of Haj subsidy

Question: From which of the following year the ending of Haj subsidy was ordered by the Supreme Court through a decision passed in 2012?

(a) 2019 (b) 2020 (c) 2021 (d) 2022

Answer: (d)

Related Facts:

- On January 16th, 2018, the Union Minority Welfare Minister Mukhtar Abbas Naqvi announced the end of the subsidy on annual Haj pilgrimage from the current year (2018).
- It is known that in the year 2012, Supreme Court passed an order directing to end Haj subsidy by 2022.
- Supreme Court in its order cleared that subsidy is not only unconstitutional but also not in conformity with the teachings of the Quran.
- With the end of the Haj subsidy, around Rs. 450 crore per year will be saved.
- This amount will be spent on the education of minority women and girls.
- It is worth mentioning that this year; a record 1.75 lakh Muslims will visit Haj pilgrimage, which will be the largest Indian batch after Independence.
- For the first time this year, women will also go on Haj pilgrimage without male maintenance or Mehram.
