BULLET TRAIN

**Mumbai-Ahmedabad
Ground Breaking Ceremony of High Speed Rail Project**

Preface

Dear readers, we have started edristi English edition as well since August, 2015. We are hopeful that it will help us to connect to the broader audience and amplify our personal bonding with each other.

While presenting Day-to-day current affairs, we are very cautious on choosing the right topics to make sure only those get the place which are useful for competitive exams perspective, not to increase unnecessary burden on the readers by putting useless materials. Secondly, we have also provided the reference links to ensure its credibility which is our foremost priority. You can always refer the links to validate its authenticity.

We will try to present the current affairs topics as quickly as possible but its authenticity is given higher priority over its turnaround time. Therefore it could happen that we publish the incident one or two days later in the website.

Our plan will be to publish our monthly PDF on very first day of every month with making appropriate modifications of day-to-day events. In general, the events happened till 28th day will be given place in the PDFs. The necessity of this is to ensure the contents factual authenticity.

Reader's satisfaction is our utmost priority so requesting you to provide your valuable feedback to us. We will warmly welcome your appreciation/criticism given to us. It will surely show us the right direction to improve the content quality. Hopefully the current affairs PDF (from 1st September to 30th September 2017) will benefit our beloved readers.

Current affairs data will be useless if it couldn't originate any competitive exam questions. E-Dristi has been very successful in that direction. Almost all the questions from UPPCS and other examinations have been asked from our materials. You can verify that by matching the question papers and e-Dristi contents from yourselves.

Pradhan Mantri Sahaj Bijli Har Ghar Yojana, Saubhagya Launched

Question: On September 25, Prime Minister Narendra Modi launched 'Pradhan Mantri Sahaj Bijli Har Ghar Yojana', "Saubhagya" scheme. Consider the following statements in regards to this:

(i) It is a new scheme to ensure electricity for every household in the rural areas of the country only.

(ii) The States and Union Territories are required to complete the works of household electrification by the 31st of December 2018.

(iii) NTPC Ltd. will be the nodal agency for the operation of the scheme throughout the country.

(iv) The beneficiaries for free electricity connections would be identified using Socio Economic and Caste Census (SECC) 2011 data.

Which of the above mentioned statements is or are true?

- (a) Only (i), (ii) and (iv) (b) Only (ii) and (iv)
(c) Only (ii), (iii) and (iv) (d) All of the above

Answer: (b)

Related Facts:

- On September 25th, 2017, on the occasion of the birth anniversary of Pandit Deendayal Upadhyay, Prime Minister Narendra Modi launched the Pradhan Mantri Sahaj Bijli Har Ghar Yojana, 'Saubhagya' in New Delhi.
- The objective of this scheme is to provide electricity to every household in all rural and urban areas of the country.
- Under this scheme, the States and Union Territories are required to complete the works of household electrification by the 31st of December 2018.
- The total outlay of the project is Rs. 16, 320 crore while the Gross Budgetary Support (GBS) is Rs. 12,320 crore.
- The outlay for the rural households is Rs. 14,025 crore while the GBS is Rs. 10,587.50 crore.
- For the urban households the outlay is Rs. 2,295 crore while GBS is Rs. 1,732.50 crore.
- The Government of India will provide largely funds for the Scheme to all States/UTs.
- Under the scheme, the beneficiaries for free electricity connections would be identified using Socio Economic and Caste Census (SECC) 2011 data.
- However, un-electrified households not covered under the SECC data would also be provided electricity connections under the scheme on payment of Rs. 500 which shall be recovered by DISCOMs in 10 instalments through electricity bill.
- The solar power packs of 200 to 300 Wp with battery bank for un-electrified households located in remote and inaccessible areas, comprises of Five LED lights, One DC fan, One DC power plug. It also includes the Repair and Maintenance (R&M) for 5 years.
- For easy & accelerated implementation of the Scheme, modern technology shall be used for household survey by using Mobile App.
- The Rural Electrification Corporation Limited (REC) will remain the nodal agency for the operationalisation of the scheme throughout the country.

First Pension Adalat

Question: Recently, how many persons have been given ' Anubhav ' Award, 2017, for tendering remarkable services or works in their departments?

(a) 14 (b) 15 (c) 17 (d) 25

Answer- (c)

Related Facts:

- On September 19th, 2017, the Union Minister of State (Independent Charge) Development of North-Eastern Region (DoNER), MoS PMO, Personnel, Public Grievances & Pensions, Atomic Energy and Space, Dr Jitendra Singh inaugurated the first 'Pension Adalat.
- He also honored the Pensioners for their outstanding contribution towards 'Anubhav'.
- 'Anubhav' is a platform for retiring employees for sharing their experience of working with Government.
- Moving ahead from e-governance to m-governance, a Mobile App, created to avail the services of Pensioners' Portal was also launched by him.
- With this App, a superannuating Central Government official will be able to monitor the progress of his pension settlement, and retired officials will be able to self-assess their pension through the pension calculator and will also be able to register their grievances, if any, and get updates on orders issued by the Department.

- As a measure of welfare to the pensioners of Government of India, a workshop on Pre-Retirement Counseling (PRC) of 300 retiring Central Government employees was also held.
- The event was organized by Department of Pension & Pensioners' Welfare, Ministry of Personnel, Public Grievances and Pensions, Government of India.
- The objective of this workshop is to create awareness about the post-retirement entitlements as well as an advance planning for life after retirement.
- The ANUBHAV AWARDS 2017 has been given to 17 pensioners for their contribution towards creating institutional memory for the departments.
- It was the first of a series of Pension Adalats launched by the Pension Department in this programme.
- The objective of the Pension Adalat is to bring the aggrieved pensioner, the concerned department, the bank or CGHS representative, wherever relevant, on a common table so that such cases can be settled across the table within the framework of extant rules.

Approves for survey of Un-appraised Areas of Sedimentary Basins of India

Question: Recently, the Cabinet Committee on Economic Affairs gave its approval for a significant project to acquire 48,243 Line Kilometer (LKM) 2D seismic data for appraisal of Indian sedimentary basins where limited data is available. The survey work will be carried out in how many States?

(a) 20 (b) 22 (c) 24 (d) 26

Answer- (c)

Related facts:

- On September 12th, 2017, the Cabinet Committee on Economic Affairs chaired by the Prime Minister, Narendra Modi, gave its approval for a significant project to acquire 48,243 Line Kilometer (LKM) 2D seismic data for appraisal of Indian sedimentary basins where limited data is available.
- Survey work will be carried out in 24 States.
- The project will be implemented by NOCs, i.e. Oil India Limited (OIL) and Oil and Natural Gas Corporation (ONGC).
- OIL will conduct survey in North – Eastern States while remaining area will be covered by ONGC.
- The project will help in increasing the investments in domestic production of oil and gas.
- Total estimated cost of the entire project is Rs. 2932.99 crore spread over five years.
- Entire project is likely to be completed by 2019-20.
- Initially National Oil Companies (NOCs) are meeting the fund requirement from their own sources, which will be reimbursed by the Government.
- Directorate General of Hydrocarbons is monitoring the project and reviewing the progress on monthly basis.
- India has 26 sedimentary basins covering an area of 3.14 Million Sq Km spread over onland, shallow water and deep water.
- An area of about 1.502 Million Sq. Km i.e. 48% of total sedimentary basin area does not have adequate geo-scientific data.

Global Human Capital Report-2017

Question: What is the position of India in the 'Global Human Capital Report-2017' released by the World Economic Forum (WEF)?

(a) 95th (b) 103th (c) 85th (d) 60th

Answer: (b)

Related facts:

- On September 13th, 2017, the 'Global Human Capital Report' -2017 was released by the World Economic Forum (WEF) in Geneva.
- The Global Human Capital Index 2017 ranks 130 countries on how well they are developing their human capital on a scale from 0 (worst) to 100 (best).
- The measurement is based on four thematic dimensions and five distinct age groups to capture the full human capital potential profile of a country.
- **Four thematic dimensions are:**
 - I. Capacity, largely determined by past investment in formal education;
 - II. Deployment, the application and accumulation of skills through work;
 - III. Development, the formal education of the next generation workforce and continued upskilling and reskilling of existing workers; and
 - IV. Know-how, the breadth and depth of specialized skills-use at work.
- Five distinct age groups or generations: 0-14 years; 15-24 years; 25-54 years; 55-64 years; and 65 years and over.
- Under this to measure the human capital rank of any country, the level of knowledge and skill of the people of that country to make a significant contribution in the global financial system is kept in mind.
- In the Global Human Capital Report-2017, Norway (Score 77.12) is at the top.
- Norway is followed by Finland (Score: 77.07), Switzerland (Score: 76.48), America (Score: 74.84) Denmark (Score: 74.40) respectively.
- Yemen (Score-35.48) is ranked in the bottom at the 130th position in this report.
- Martania (score-41.19) is at 129th place, Senegal (score-43.33) at 128th, Ethiopia (score-44.44) at 127th and Mali (score -46.02) at 126th place.
- India is at 103rd place in the Global Human Capital Report, with the score of 55.29.

- While the last year India was at the 105th place in this index.
- Amongst neighboring countries of India, China is ranked 34th, Sri Lanka is 70th, Nepal 98th, Bangladesh 111th and Pakistan 125th.

Uranium Bank

Question- At which of the following places Uranium Bank was started recently by the International Atomic Energy Agency?

(a) Uzbekistan (b) Kazakhstan (c) Turkmenistan (d) Armenia

Answer: (b)

Related Facts:

- On August 29th, 2017, Uranium Bank was started by the International Atomic Energy Agency in Kazakhstan.
- It is world's first Low Enriched Uranium Bank under the auspices of the IAEA started for global cooperation.
- Its aim is to ensure the supply of nuclear fuel in spite of any hindrance caused in the various countries of the world.
- The IAEA LEU (Low Enriched Uranium) Bank will be a physical reserve of up to 90 metric tons of low enriched uranium.
- The IAEA LEU Bank will be located at the Ulba Metallurgical Plant in Oskemen, Kazakhstan.
- This low enriched uranium is suitable to make fuel for a typical light water reactor, the most widely used type of nuclear power reactor worldwide.
- The Bank is part of global efforts to create an assured supply of nuclear fuel to countries in case of disruption of the open market or of other existing supply arrangements for LEU.
- This bank has been started with the objective of keeping the smooth supply of the enriched uranium.
- According to the International Atomic Energy Agency, this storage is for those conditions where any member of the United Nations cannot achieve nuclear fuel for any reason.
- For this project financial aid was provided by the United States America, more than two dozen countries of the European Union, Kuwait, United Arab Emirates and Norway.
- The International Atomic Energy Agency was created on July 29, 1957, with its headquarters located in Vienna, Austria.

'Ujala' Scheme

Question: In which of the followings countries Energy Efficiency Services Limited (EESL), under Ministry of Power has launched UJALA Scheme?

(a) Myanmar (b) Malaysia (c) Bhutan (d) Nepal

Answer: (b)

Related facts:

- On September 6, 2017, Energy Efficiency Services Limited (EESL), under Ministry of Power, Government of India has launched UJALA Scheme in the State of Melaka, Malaysia.
- UJALA stands for “Unnat Jyoti by Affordable Lighting for All”.
- The Scheme was launched by Chief Minister of Melaka Datuk Seri Utama Ir. Hj. Idris Bin Hj.
- Under this scheme, each household in Melaka will get 10 high quality 9-watt LED bulbs at a cost of only RM 10, which is a special price and is almost half of what is being offered in the market.
- Under the extensive and ever-expanding idea of UJALA, Energy Efficiency Services Limited (EESL) plans to distribute about 1 million 9W LED bulbs, which will replace 18W CFLs.
- The distribution of these LED bulbs will take place from 28 numbers of Japerun in the region.
- These Japerun are a unique community welfare and engagement centers, which are situated across the Melakan State.
- The initiative will have the logistical assistance and facilitation support from Green Growth Asia, which is a not for profit organization.
- The successful Indian model of UJALA scheme has become a sought-after example for the different nations of the world.
- UJALA scheme has taken a new stride and after UK its latest entrant is the Malaysian market.
- It is known that Prime Minister of India Sh. Narendra Modi on January 5, 2015 had launched the world’s largest and most extensive LED distribution programme, UJALA (Unnat Jyoti by Affordable Lighting for All).
- Currently, over 25-crore LED bulbs have been distributed under the UJALA scheme in India, which are resulting in 33,828 mn kWh of energy savings per year.

Foreign Debt Status Report on India 2016-17

Question: According to the ‘Foreign Debt Status Report on India 2016-17’ released in the end of March 2017 by Department of Economic Affairs, Ministry of Finance, , how many billion US dollars foreign debt to India?

- (a) 390.71 billion US dollars (b) 400.80 billion US dollars
(c) 471.9 billion US dollars (d) 350.60 billion US dollars

Ans: (c)

Related facts:-

- On September 15, 2017, the 23rd issue of the Annual Publication 'India's External Debt: A Status Report 2016-17' prepared by the Department of Economic Affairs, Ministry of Finance, Government of India was released.
- Report presents a detailed analysis of India's External Debt position at end-March 2017, based on the data released by the Reserve Bank of India (RBI) on June 30, 2017 and data and information available from other sources.
- **The salient features of the Report are:**
- India's external debt stock stood at US\$ 471.9 billion at end-March 2017, decreasing by US\$ 13.1 billion (2.7 per cent) over the level at end-March 2016.
- The decline in external debt was due to the decrease in long-term debt particularly NRI deposits and commercial borrowings.
- At end-March 2017, long-term external debt was US\$ 383.9 billion, showing a decrease of 4.4 per cent over the level at end-March 2016.
- Long-term external debt accounted for 81.4 per cent of total external debt at end-March 2017 as compared to 82.8 per cent at end-March 2016.
- Short-term external debt increased by 5.5 per cent to US\$ 88.0 billion at end-March 2017. This is mainly due to the increase in trade related credits, a major component of short-term debt with a share of 98.3 per cent.
- Government (sovereign) external debt increased from US\$ 93.4 billion at end-March 2016 to US\$ 95.8 billion at end-March 2017, and constituted 20.3 per cent of the total external debt, as compared to 19.3 per cent in the previous year.
- India's external debt has remained within manageable limits and the external debt situation has improved in 2016-17 over 2015-16 as indicated by the increase in foreign exchange reserves cover to debt to 78.4 per cent from 74.3 per cent, and fall in the external debt-GDP ratio to 20.2 per cent from 23.5 per cent.
- External debt of the country continues to be dominated by the long-term borrowings.
- It is worth noting that the World Bank's 'International Debt Statistics 2017', which has presented loan data for 2015, shows that India is still counted in 'less unsafe' countries.
- India's foreign credit indicators are better than other indebted or indebted developing countries.
- The ratio of external debt and gross national income to India is 23.4 percent, which reflects the fifth lowest level.
- Similarly in terms of cover provided by foreign exchange reserves for foreign debt, India was at the sixth highest level with 69.7 percent in year 2015.

INS Tarasa commissioned into the Indian Navy

Question: Recently, INS Tarasa, fourth and last of the follow-on Water Jet Fast Attack Craft commissioned into the Indian Navy. This Craft is built by-

- (a) Garden Reach Shipbuilders and Engineers Kolkata
(b) Cochin Shipyard Ltd. (c) Hindustan Shipyard Ltd.
(d) Mazagaon Dock Shipbuilders Ltd.

Answer- (a)

Related Facts:

- On September 26th, 2017, INS Tarasa, fourth and last of the follow-on Water Jet Fast Attack Craft commissioned into the Indian Navy.
- INS Tarasa, an upgrade of the Car Nicobar class Fast Attack Crafts is built the Garden Reach Shipbuilders and Engineers (GRSE), Kolkata.
- INS Tarasa is 50 m long and powered by three waterjets which give it speeds of over 35 knots (65 kmph).
- The ship is armed with a 30 mm main gun indigenously built, and a number of light, medium and heavy machine guns to undertake costal defence operations.

- The ship is an ideal platform for missions like coastal and off-shore surveillance, EEZ Patrol, law enforcement as well as non-military missions such as Search and Rescue, Humanitarian Assistance and Disaster Relief.
- The new INS Tarasa will be based at Mumbai under the operational control of Western Naval Command.
- It is notable that this is the second ship of the Indian Navy to be named INS Tarasa.
- The first INS Tarasa was in service of the Navy from 1999 to 2014.
- It was gifted to Seychelles Coast Guard as a symbol of India's partnership with friendly maritime nation in IOR.

Submarine Kalvari

Question- Recently, the country's first indigenously built Scorpene-class submarine Kalvari built by the Mazagaon Docks Limited, handed over to the Indian Navy.

Submarines are being developed by the Indian government, with a joint effort of which of the following countries?

(a) Israel (b) France (c) America (d) Russia

Answer: (b)

Related facts:

- On September 21st, 2017, the country's first indigenously built Scorpene-class submarine Kalvari handed over to the Indian Navy.
- Kalvari is the dreaded Tiger Shark, a deadly deep sea predator.
- The submarine was built by the Mazagaon Docks Limited (MDL) at Mumbai.
- As part of the project, MDL will build a total of six submarines and Kalvari is the first one.
- These Scorpene submarines are being built under Project 75.

- The state-of-art features of the Scorpene include superior stealth and the ability to launch a crippling attack on the enemy using precision guided weapons.
- The attack can be launched with torpedoes, as well as tube launched anti-ship missiles, whilst underwater or on surface.
- It can be operated in all seasons.
- This submarine is capable of carrying out various types of missions.
- These include anti-submarine warfare, anti-surface warfare information collection, field monitoring etc.
- 'Kalvari' is built from special steel, capable of withstanding high yield stress and having high tensile strength, thereby allowing them to withstand high hydrostatic force and enabling them to dive deeper to further enhance stealth.
- The ongoing project for the construction of six Scorpene class submarines has M/s DCNS of France, as Collaborator and includes 'Transfer of Technology', with M/s MDL as the 'Builder'.
- The cost of Scorpion submarines developed under Project-75 is approximately 3.5 billion dollars.
- The first Kalvari, which was also the first Indian submarine, was commissioned into the Indian Navy on 08 December 1967. She was decommissioned on 31 May 1996 after almost 30 years of yeoman service to the nation.

Exercise: Yudh Abhyas – 2017

Question: At which of the following places the joint military exercise 'Yudh Abhyas 2017' is being organized between the armies of India and America?

- (a) Joint Base Lewis McChord Washington
- (b) Jaisalmer, Rajasthan
- (c) Chaubatia, Uttarakhand
- (d) Bay of Bengal

Answer: (a)

Related facts:

- On September 16th, 2017, Exercise Yudh Abhyas – 2017, a joint military exercise between Indian and US armies commenced this morning at Joint Base Lewis McChord, Washington, USA.
- During the two week long exercise soldiers from both countries will hone their tactical skills in counter insurgency and counter terrorist operations under a joint brigade headquarter.
- The war exercise is the biggest exercise of joint military training and defense cooperation efforts between India and the US.
- It is the 13th edition of joint exercise being conducted in two countries in a rotational manner.
- The US contingent is being represented by Company of 5th Infantry Battalion from 20 Infantry Regiment of the US Army while the Indian side is being represented by soldiers of Gorkha Rifles from the Surya Command.
- Both sides will jointly train, plan and execute a series of well-developed tactical drills for neutralization of likely threats that may be encountered in UN peace keeping operations.

- Last year in 2016, this exercise was organized in India's Chaubatia Cantonment Uttarakhand.

NASA's search Craft 'Cassini'

Question: Recently NASA's search craft 'Cassini' was destroyed by burning. This craft was sent to collect important information of which planet and its mysterious rings and the moon (satellites)?

- (a) Venus (b) Mercury (c) Saturn (d) Jupiter

Ans: (c)

Related facts:-

- On September 15th, 2017, the US space agency (NASA) spacecraft Cassini was destroyed.
 - NASA named it 'Grand Finale'.
 - Cassini entered the Saturn's atmosphere with a speed of 11 lakh 30 thousand kilometers / hour and was destroyed in only a few seconds.
 - This craft was sent to collect vital information of the Saturn and its mysterious rings and moons.
 - The craft was sent from the NASA's Kennedy Space Center in Florida on October 15, 1997.
 - The spacecraft arrived in the Saturn system on June 30, 2004.
 - The Cassini search craft has traveled 7.9 billion km in space.
 - This craft discovered seven new moons (satellites) of Saturn Methone, Pallene, Polydeuseas, Daphnis, Anthe, Aegaeon and S-2009.
 - Detected the sea of liquid methane upon Titan, Saturn's largest satellite.
 - In 1998, this craft passed near Venus and gathered vital information about its gravity.
 - This spacecraft passed near the planet Jupiter in 2000 and took 26,000 photos of it.

Advanced Portable Ventilator

Question: Which one of the following institutes recently developed advanced portable ventilator in collaboration with a private company?

- (a) IIT, Delhi (b) IIT, Kanpur (c) AIIMS (d) IIT Madras

Answer: (c)

Related Facts:

- In September, 2017, All India Institute of Medical Sciences (AIIMS) developed an advanced portable ventilator in collaboration with a private company.

- It is the world's first cheapest, small and non-oxygen cylinder working ventilator.
- This ventilator is so small that it can also be kept in pocket.
- This ventilator is capable of running from the air present in the atmosphere and does not require the supply of oxygen separately.
- It can be operated through the Android app.
- This invention is the brainchild of Dr Deepak Agrawal, professor in the department of neurosurgery at AIIMS, who joined with Diwakar Vaish, a robotics researcher at A-SET Robotics to make the device.

CRICKET

India-Sri Lanka ODI series-2017

Question- In recently concluded India-Sri Lanka ODI series M.S Dhoni made a new world record for 100 stumping in ODIs. Who amongst the following is the first player to hold this record?

- (a) Adam Gilchrist (b) Mark Boucher
(c) Kumar Sangakara (d) Nayan Mongia

Answer: (c)**Related Facts:**

- A series of 5 ODIs concluded between India and Sri Lanka. (August 20 to September 3, 2017)
- India won the ODI series by 5-0 with a clean sweep.
- This is the first time that India has defeated Sri Lanka by 5-0 on their soil.
- Indian bowler Jaspreet Bumrah, who took 15 wickets in the series, was selected as Player of the Series.
- Most 330 runs in the series are scored by Indian captain Virat Kohli.
- The first ODI in the series was the 200th match of Sri Lankan Lasith Malinga's ODI career.
- The second ODI in the series was Sri Lanka's 800th ODI match.
- In this match Sri Lankan spinner Akila Dhananjay joined the club (Hall) of 5 wickets takers in a match.
- Akila received 54 runs in 10 overs with 6 wickets.
- S Dhoni in the second match and Bhuvneshwar Kumar shared an unbeaten 100-run partnership for the 8th wicket.
- This is the highest partnership for the 8th wicket in ODIs against any country.
- In the third match, Chamara Kapugedara became Sri Lanka's 20th ODI captain.
- In this match, Jaspreet Bumrah joined the club (haul) of 5-wicket takers in a match.
- Bumrah taken 5 wickets giving 27 runs in 10 overs.
- Lasith Malinga became Sri Lanka's 21st ODI captain in the fourth one-dayer.
- In the fourth one-dayer match Virat Kohli shared a 219-run partnership with Rohit Sharma.
- With this, Virat has become the first cricketer to have done 200 or more runs (double century partnership) 10 times in one-dayers.
- The fourth match of the series, M.S. Dhoni was the 300th ODI, in which he made the world record of not being out.
- This was the 73rd occasion that in an ODI when Dhoni return at not-out (49 runs).
- Earlier this record was in the name of Sri Lanka's Chaminda Vaas and South Africa's Shaun Pollack (72-72 times not out).
- In the fourth match, Sri Lanka lost by 168 runs, which is the biggest defeat on its own field in terms of runs.
- MS Dhoni in the fifth and final match of the series, stumped Akilia Dhananjay on the ball of Yajuwendra Chahal, became the world's first cricketer to do 100 stumpings in ODIs.
- He broke the record of 99 stumpings of former Sri Lankan cricketer Kumar Sangakara
- Dhoni has caught 283 catches behind the wicket in 301 ODIs.
- In the fifth match, Virat Kohli made his 30th century (in the 186th innings of 194th match) of his ODI career by playing an unbeaten innings.
- With this, Kohli has reached the second place with Australia's Ricky Ponting in terms of hitting the most hundreds in one-dayers.
- In the same series, he had secured third place in the list by breaking the record of 28 centuries in Sri Lanka's Sanath Jayasuriya.

India's First High Horse Power Locomotive

Question: India has received country's first high horse power locomotive engine from-
(a) America (b) Germany (c) France (d) Japan

Ans: (c)

Related facts:-

- In September, 2017, India received the first high horse power locomotive engine of the country from the France.
- The first supply of the locomotive engine of 12,000 horsepower by Alstom (France) reached the Calcutta port on September 20, 2017.
- This is the first high powered electric locomotive of its kind, which will be used to run at twice the speed of the current speed of the freight train from next year.
- In November 2015, Indian Railways had signed a contract with French company Alstom, to manufacture such engines for locomotive factories in Madhepura in Bihar.
- Under this agreement, 800 such engines will be built by the French company in the next 11 years.
- This is the first Foreign Direct Investment (FDI) project in the Rail Sector.
- The cost of this type of locomotive engine is estimated at Rs 30 crores.
- This locomotive engine will be tested in February -2018.
- Initially, five engines will be imported, while the remaining 795 engines are to be manufactured locally in support of the government's Make in India campaign.
- The total cost of this agreement is 3 billion Euros.
- This project will be set up in Madhepura of Bihar while two depots will be set up in Saharanpur (Uttar Pradesh) and Nagpur (Maharashtra) respectively for maintenance.
- This locomotive will be supplied from 2018 to 2028.
- The locomotive will run at a speed up to 120 km/h.
- At present, Railways is using 6000 Horse Power Engines for freight services.
- Under the scheme 35 locomotives will be ready by 2020, 60 locomotives in year 2021.
- After that, 100 locomotives will be made ready every year unless the target of 800 locomotives is completed.

Price Deficit Financing Scheme (Bhavantar Bhugtan Yojana)

Question: Which of the following States has decided to implement the Price Deficit Financing Scheme (Bhavantar Bhugtan Yojana) in order to provide the right value of their produce to the farmer?

(a) Uttar Pradesh (b) Madhya Pradesh (c) Chhattisgarh
(d) Jharkhand

Answer: (b)

Related Facts:

- On August 29, 2017, Madhya Pradesh Government has decided to implement Price Deficit Financing Scheme (Bhavantar Bhugtan Yojana) in the State.
- The purpose of the scheme is to provide appropriate value of farming produces to the State farmers.
- Under the scheme, difference between actual mandi sale price and the discovered supporting price will be reimbursed to the farmers.
- The Scheme currently on pilot basis has determined a supporting price for Kharif for the year 2017.
- Kharif crops include moong, sesamum jowar, urad, arhar ,soyabean, groundnut maize etc.
- Under this scheme, farmers will have to register themselves from September 1st-30th.

- Under this scheme, the difference between Modal prices declared by the State Government on the sale of the crop yields at mandis and minimum support price declared by Central government will be paid by the State Government to the farmers.
- Modal prices (average market prices for a particular commodity) over a two-month period will be calculated on the basis of model price of Madhya Pradesh and two other states where the crop is grown and traded.
- Registered farmers will get benefit on the sale of agricultural produce only in the notified mandi premises.
- Under the scheme eligible farmers will be compensated through Madhya Pradesh Cooperative Marketing Association and the State Civil Supplies Corporation.
- Madhya Pradesh is the first State in the country to implement the scheme.

FSSAI launches online platform

Question: Recently, Food Safety and Standards Authority of India put in place a nationwide online platform for food inspection, sampling etc. This web based platform is

- (a) FoBAScoSI (b) FoPCoDSI (c) FoSCoRIS (d) FoARoPIS

Answer: (c)

Related Facts:

- On September 12th, 2017, to bring in transparency in food safety inspection and sampling, food regulator FSSAI put in place a nationwide online platform.
- The web-based 'FoSCoRIS' system will help verify compliance of food safety and hygiene standards by food businesses as per the government norms.
- The new system will bring together all key stakeholders-food businesses, food safety of food businesses, food safety officers (FSOs), designated officers, state food safety commissioners — on a nation-wide IT platform.
- In the initial phase, the FSSAI said, it has decided to bear the cost of rental plans for first three months to a maximum of Rs 500 per month per connection to first ten states and UTs.
- The states have been told to appoint a nodal officer for this purpose and send the details of the officers of the state food authority for integrating them with FoSCoRIS.
- It would help eliminate discrepancy and make food safety officers accountable.
